# Report of State Audit

---

September 8, 1934.

TO THE BOARD OF SELECTMEN :

Mr. Frank J. Lupien, Chairman,  
Chelmsford, Massachusetts.

Gentlemen :

I submit herewith my report of an audit of the books and accounts of the Town of Chelmsford for the period from January 1, 1933, to June 16, 1934, made in accordance with the provisions of Chapter 44 of the General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,  
Director of Accounts.

MR. THEODORE N. WADDELL,  
Director of Accounts,

Department of Corporations and Taxation,  
State House, Boston.

Sir :

In accordance with your instructions, I have made an audit of the books and accounts of the Town of Chelmsford for the period from January 1, 1933, to June 16, 1934, and submit the following report thereon:

The books and accounts of the town accountant were examined and checked with the treasurer's books and with the records in the several departments collecting money for the town.

The appropriations, as entered in the ledger, were checked to the town clerk's records of appropriations voted by the town. The ledger accounts were analyzed, the necessary adjusting entries were made, and a balance sheet was prepared showing the financial condition of the town as of June 16, 1934.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were analyzed and compared with the records in the departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were checked with the selectmen's warrants authorizing the disbursement of town funds.

The payments of maturing debt, revenue loans, and interest were proved with the amounts falling due and with the cancelled securities on file.

It is recommended that an appropriation be voted by the town for interest on town debt instead of leaving this item to be provided for by the assessors in determining the tax levy.

The books and accounts of the tax collector were examined and checked. The taxes outstanding at the time of the previous examination were audited, and all subsequent commitments of taxes were reconciled with the assessors' warrants. The payments to the treasurer for the several levies were compared with the treasurer's cash book, the abatements were checked with the assessors' records of abatements granted, and the outstanding accounts were listed and reconciled with the accounts as shown in the accountant's ledger.

Verification notices were mailed to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The accounts of the tax collector, as collector for the North Chelmsford Fire District and the Chelmsford Water District, were examined and checked in detail, and the payments to the treasurer were checked with the amounts entered on the treasurer's cash book.

The books and accounts of the tax collector and treasurer, as well as of the accountant, have been kept in an efficient manner, thereby facilitating the work of the audit.

The town clerk's records of sporting, dog, and town licenses were examined. The payments to the State were verified by a comparison with receipts on file, and the payments to the town treasurer were compared with the treasurer's cash book.

The accounts of the health, public welfare, and school departments, as well as those of the other departments collecting money for the town or committing bills for collection, were examined and reconciled with the accountant's and the treasurer's books.

It was noted that various uncollected bills of the tree warden's, health, highway, and public welfare departments are of several years' standing. A determined effort should be made to collect these bills, but if it is found that they are uncollectible, they should be abated by the departments in which the charges originated.

It was found that the greater portion of the fines and other receipts of the Adams Library have been used to defray incidental expenses. In the future, the full amount of these receipts should be paid over to the town treasurer, in accordance with the provisions of Section 53, Chapter 44, General Laws.

It is recommended that complete information pertaining to all licenses and permits granted by the selectmen be shown in the records of their meetings.

The savings bank books representing the investment of the trust and investment funds in the custody of the town treasurer, the treasurer of the library trustees, and the insurance fund commissioners were examined and listed. The income was proved and the withdrawals were checked with the receipts shown in the treasurer's cash book.

The surety bonds of the treasurer, collector, town clerk, and insurance fund commissioners for the faithful performance of their duties were examined and found to be in proper form.

In addition to the balance sheet mentioned above, there are appended to this report tables showing a reconciliation of the treasurer's cash, summaries of the tax, assessment, and departmental accounts, as well as tables showing the trust and investment fund transactions.

For the courtesies extended by the various town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE,  
Assistant Director of Accounts.

# Warrant for Annual Town Meeting

FEBRUARY 5, 1934, AND FEBRUARY 12, 1934

## COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To John J. Buchanan, Constable, or any suitable person of the Town of Chelmsford.

### GREETING:

In the name of the Commonwealth aforesaid you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several Polling Places, viz.:

Precinct 1—Town Hall, Chelmsford Centre.

Precinct 2—Town Hall, North Chelmsford.

Precinct 3—Fire House, West Chelmsford.

Precinct 4—School House, East Chelmsford.

Precinct 5—Liberty Hall, South Chelmsford.

Precinct 6—Golden Cove School House, Westlands.

on Monday, the fifth day of February, 1934, being the first Monday in said month, at 12 o'clock noon, for the following purposes:

To bring in their votes for the following officers:

Moderator for one year.

One Selectman for three years.

One member of the Board of Public Welfare for three years.

Treasurer and Tax Collector for one year.

One Assessor for three years.

Tree Warden for one year.

One member of the Board of Health for three years.

One Park Commissioner for three years.

One Cemetery Commissioner for three years.

Two Trustees of Adams Library for three years.

One Trustee of Adams Library for one year, to fill unexpired term.

One Sinking Fund Commissioner for three years.

One Constable for one year.

One School Committee member for three years.

And to vote on the following questions, namely:

1—Shall licenses be granted in this Town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

2—Shall licenses be granted in this Town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

All on one ballot.

The polls will be open from 12 noon to 8 P. M., and to meet in the Town Hall at Chelmsford Centre on the following Monday, the twelfth day

of February, at 10 o'clock, in the forenoon, then and there to act upon the following articles, viz.:

ARTICLE 1. To hear reports of Town Officers and Committees; or act in relation thereto.

ARTICLE 2. To raise and appropriate such sums of money as may be required to defray Town charges for the current year.

ARTICLE 3. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year; also in such other matters as may arise requiring in their judgment the action of such agent, and to employ counsel therefor; or act in relation thereto.

ARTICLE 4. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenues of the current financial year.

ARTICLE 5. To see if the Town will vote to raise and appropriate a sum not exceeding \$2000, to be used as a Reserve Fund at the discretion of the Finance Committee, as provided in General Laws, Chapter 40, Section 6; or act in relation thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate a sufficient sum with which to meet unpaid bills of 1933; or act in relation thereto.

ARTICLE 7. To see if the Town will vote to accept Sylvan Avenue as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 8. In the event of an affirmative vote under Article 7, to see if the Town will vote to raise and appropriate One Hundred Dollars, or some other sum, for the purpose of repairing Sylvan Avenue; or act in relation thereto.

ARTICLE 9. To see if the Town will vote to accept Jensen Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 10. In the event of an affirmative vote under Article 9, to see if the Town will vote to raise and appropriate Two Hundred Dollars, or some other sum, for the purpose of repairing Jensen Street; or act in relation thereto.

ARTICLE 11. To see if the Town will vote to accept Linwood Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 12. In the event of an affirmative vote under Article 11, to see if the Town will vote to raise and appropriate One Hundred Dollars, or some other sum, for the purpose of grading and repairing Linwood Street; or act in relation thereto.

- ARTICLE 13. To see if the Town will vote to accept Dunston Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.
- ARTICLE 14. In the event of an affirmative vote under Article 13, to see if the Town will vote to raise and appropriate Two Hundred Dollars, or some other sum, for the purpose of grading and repairing Dunston Street; or act in relation thereto.
- ARTICLE 15. To see if the Town will vote to accept Twist Road as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.
- ARTICLE 16. In the event of an affirmative vote under Article 15, to see if the Town will vote to raise and appropriate Two Hundred Dollars, or some other sum, for the purpose of grading and repairing Twist Road; or act in relation thereto.
- ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of One Hundred Dollars, or some other sum, for the purpose of defraying the salary of the Fish and Game Warden; or act in relation thereto.
- ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Dollars, or some other sum, for the purpose of purchasing an automobile truck for the Forest Fire Department; or act in relation thereto.
- ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of Twenty-five Dollars for the purpose of paying a claim for land damages to John J. Gallagher, for land seized on the Riverneck Road; or act in relation thereto.
- ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of Twenty-five Dollars for the purpose of settling property and personal injury claim of William H. Davis; or act in relation thereto.
- ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars, or some other sum, for the purpose of defraying the expense of concerts to be rendered by the Chelmsford Band; or act in relation thereto.
- ARTICLE 22. To see if the Town will vote to request the Department of Corporations and Taxation, Division of Accounts, to make an audit of the Town of Chelmsford accounts during the year 1934; or act in relation thereto.
- ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars, or some other sum, for the purpose of reconstructing Middlesex Street, a similar amount to be contributed respectively by the Commonwealth and County of Middlesex; or act in relation thereto.

- ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars, or some other sum, for the purpose of constructing the North Road; a similar amount to be contributed by the Commonwealth and County of Middlesex; or act in relation thereto.
- ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of Twenty-five Hundred Dollars, or some other sum, for the purpose of purchasing a power scraper for the Highway Department; or act in relation thereto.
- ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of Four Hundred and Thirty-six Dollars for the purpose of paying the award of the Court in the matter of the petition for land damages of Daniel V. Sullivan, et al., or act in relation thereto.
- ARTICLE 27. To see if the Town will vote to raise and appropriate One Hundred and Thirty-nine Dollars for the purpose of paying the award of the Court in the matter of the petition for land damages of Manuel Mello; or act in relation thereto.
- ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of One Hundred and Sixty-six Dollars and Thirty-eight Cents to balance overdraft on Old Westford Road account; or act in relation thereto.
- ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars for the purpose of grading, seeding and the installation of a drinking fountain and otherwise embellish the Common at the North Village; or act in relation thereto.
- ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of Six Hundred Dollars, or some other sum, for the purpose of purchasing seats and furniture for use at the Town Hall at the North Village; or act in relation thereto.
- ARTICLE 31. To see if the Town will vote to change the date of the Annual Town Meeting from the First Monday in February to the First Monday in March, beginning in the year 1935; or act in relation thereto.
- ARTICLE 32. To see if the Town will vote to raise and appropriate a sufficient sum of money for the purpose of defraying the expense of foreclosing tax titles; or act in relation thereto.
- ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of Five Thousand Four Hundred and Forty-six Dollars and Eighty-six Cents (\$5,446.86) for the purpose of balancing an overdraft in the Outside Aid and Old Age Assistance Account; or act in relation thereto.
- ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars, or some other sum, for the purpose of paying for tools, materials, equipment purchased and to be purchased to continue work under the Civil Works Administration projects; or act in relation thereto.

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of Fifty Dollars for the purpose of defraying the expenses of the Local Administrator of the Civil Works Administration; or act in relation thereto.

ARTICLE 36. To see if the Town will vote to instruct and authorize the Selectmen to remove the water pump located near the Quessey School on School Street, West Chelmsford; or act in relation thereto.

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars, or some other sum, for the purpose of aligning, grading and surfacing Stedman Street from Chelmsford Street to the boundary line on said street, between Chelmsford and Lowell; or act in relation thereto.

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars, or some other sum, for the purpose of purchasing an automobile truck and the equipment incident thereto for use in the Fire Department; or act in relation thereto.

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars or some other sum, for the purpose of installing new lavatories in the new school building on Princeton Street; or act in relation thereto.

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of Seven Hundred and Ninety-Three Dollars and Ninety-Five Cents (\$793.95) to pay the County of Middlesex, as required by law, the Town's share of the net cost of the care, maintenance and repair of the Middlesex County Tuberculosis Hospital, and for the Town's share of the expense under the provisions of Chapter 331 of the Acts of 1933, which provides for the settlement of certain claims of the Commonwealth against the Middlesex County Tuberculosis Hospital District, including interest or discount on temporary notes issued therefor, as assessed in accordance with the Provisions of Chapter 111 of the General Laws and Acts in amendment thereof and in addition thereto, or take any action in relation thereto.

ARTICLE 41. To see if the Town will vote to authorize the Assessors to use a certain amount of free cash to be applied in computing the 1934 Tax Rate with the permission of the State Tax Commissioner; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, and West Chelmsford, and at the Schoolhouse, East Chelmsford, and the Golden Cove Schoolhouse, Westlands, seven days at least before the time appointed for holding the First meeting aforesaid.

HEREOF FAIL NOT, and make return of this Warrant, with your doings thereon to the Town Clerk, at the time and place of holding this meeting aforesaid,

Given under our hands this 25th day of January in the year of our Lord, nineteen hundred and thirty-four.

JAMES A. GRANT,  
FRANK J. LUPIEN,  
STEWART MacKAY,  
Selectmen of Chelmsford.

---

RETURN

Chelmsford, Mass., January 27, 1934.

## ANNUAL BUSINESS MEETING

FEBRUARY 12, 1934

At a legal meeting of the Inhabitants of the Town of Chelmsford qualified to vote in Town affairs, held pursuant to warrant duly posted, said meeting held in the Upper Town Hall at Chelmsford Centre on February 12, 1934, at 10 A. M. Moderator Walter Perham called the meeting to order and requested Town Clerk Harold C. Petterson to read the Warrant, after the Warrant was partially read John C. Monahan moved that the further reading of the Warrant be waived, and it was so voted.

Under Article One:

It was voted to accept the Town Report as printed, with the following amendments: That the name of James A. Grant be inserted under the head of Selectmen and Board of Public Welfare in place of Herbert C. Sweetser; and that the sum of \$150.00 be inserted under Charities and Soldiers' Benefits instead of the sum of \$1500.00.

The report of the Committee appointed to make recommendations as to the advisability of improving the Common at North Chelmsford was made by Stewart MacKay, Chairman of this Committee. The report was as follows:

### REPORT OF THE COMMITTEE ON IMPROVING NORTH COMMON

The Committee, after careful study of the general condition and location of the North Common, decided that the general appearance would be improved by the removal of the fence and posts. Also that owing to the storm last summer the large oak tree on the Common was so badly wrecked that only the tall stump was left, so that it would be necessary to remove it. It was also decided to put stone curbing around the sidewalk, and as the grade was low to raise the grade, particularly on the south section. The question of the monument was then considered. Post 313 American Legion was in favor of the relocation to the southerly or broad end of the triangle. At first the Committee was inclined to look favorably on this proposition, but second thought brought out the fact that in this location the size of the monument was such that it would not show to as good advantage as in its present location, so that this idea was then dropped and it was decided to make its present location more attractive by putting a bubbler fountain at the peak of the Common, cementing a section across the end and run a three-foot concrete walk into and around the monument, shrubbery and flower beds nearby to complete arrangement. The lower section to be laid out with large flower beds, and if possible secure a piece of World War artillery to be located in a central position in the wide section of the Common. The C. W. A. projects made it possible to save the Town at least half of the expense. We went ahead with this work, and at the present time the stump has been removed, all of the curbing except a small piece at northerly end is in place, the old loam stripped off, the rough grade established, and most of

the old loam put back, leaving the finished grade to be completed, more loam being required to complete the grade, and the seeding, walks, bubbler and shrubbery to be put in.

ANCEL TAYLOR	FRED L. FLETCHER
STEWART MACKEY	MICHAEL WELCH
DR. F. E. VARNEY	WALTER H. MERRILL
GEORGE E. GAGNON	

Under Article Two:

On a motion made by John C. Monahan it was voted to lay this article on the table until after the noon recess.

Under Article Three:

On a motion made by James A. Grant it was voted to authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year; also in such other matters as may arise requiring, in their judgment the action of such agent, and to employ counsel therefor.

Under Article Four:

On a motion made by Frank J. Lupien it was voted that the Treasurer be and he hereby is authorized and empowered to borrow money with the approval of the Board of Selectmen from time to time in anticipation of the revenue of the financial year beginning January 1, 1934, and to issue a note or notes therefor payable within one year, any debt or debts incurred under this vote to be paid from revenue of such financial year.

Under Article Five:

On a motion made by Stewart MacKay it was voted that the Town raise and appropriate Two Thousand Dollars (\$2000.00) to be used as a Reserve Fund at the discretion of the Finance Committee as provided in General Laws, Chapter 40, Section 6.

Under Article Six:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of \$1,636.51 for the purpose of paying unpaid bills for the year 1933.

Under Article Seven:

On a motion made by James A. Grant it was voted to accept Sylvan Ave. as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk.

Under Article Eight:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of One Hundred Dollars for the purpose of repairing Sylvan Ave.

Under Article Nine:

On a motion made by James A. Grant it was voted to accept Jensen Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk.

Under Article Ten:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of Two Hundred Dollars for the purpose of repairing Jensen Street.

Under Article Eleven:

On a motion made by James A. Grant it was voted to accept Linwood Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk:

Under Article Twelve:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of One Hundred Dollars for the purpose of repairing Linwood Street.

Under Article Thirteen:

On a motion made by James A. Grant it was voted to accept Dunston Street as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk.

Under Article Fourteen:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of Two Hundred Dollars for the purpose of repairing Dunston Street.

Under Article Fifteen:

On a motion made by Stewart MacKay it was voted to accept Twist Road as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk.

Under Article Sixteen:

On a motion made by Stewart MacKay, it was voted to raise and appropriate the sum of Two Hundred Dollars for the purpose of repairing Twist Road.

Under Article Seventeen:

On a motion made by Harry L. Shedd, it was voted to raise and appropriate the sum of One Hundred Dollars, for the purpose of defraying the salary of the Fish and Game Warden.

Under Article Eighteen:

On a motion made by John C. Monahan, in regard to the purchase of an automobile for the Forest Fire Department, it was voted that this matter be laid over until the next Annual Town Meeting.

Under Article Nineteen:

On a motion made by Frank J. Lupien, it was voted to raise and appropriate the sum of Twenty-Five Dollars for the purpose of paying a claim for land seized from John J. Gallagher.

Under Article Twenty:

On a motion made by Frank J. Lupien, it was voted to raise and appropriate the sum of Twenty-Five Dollars for the purpose of settling property and personal injury claims of William H. Davis.

Under Article Twenty-One:

On a motion made by John C. Monahan, in regard to band concerts it was voted to dismiss this Article.

Under Article Twenty-Two:

On a motion made by Harold C. Petterson, it was voted that the Town request the Department of Corporations and Taxation, Division of Accounts, to make an audit of the Town of Chelmsford accounts at their convenience, during the year 1934, and that the Town Clerk be instructed to notify said department of such vote.

Under Article Twenty-Three:

On a motion made by Stewart MacKay, it was voted to raise and appropriate the sum of Four Thousand Dollars for the purpose of reconstructing Middlesex Street, provided that the Commonwealth and the County of Middlesex each contribute a like amount.

Under Article Twenty-Four:

On a motion made by James A. Grant, it was voted to raise and appropriate the sum of Four Thousand Dollars for the purpose of reconstructing the North Road, provided that the Commonwealth and the County of Middlesex each contribute a like amount for such work.

Under Article Twenty-Six:

On a motion made by Frank J. Lupien, it was voted to raise and appropriate the sum of Four Hundred Thirty-Six Dollars for the purpose of satisfying a finding to the Superior Court in the matter of the suit for land damages filed by Daniel V. Sullivan and others.

Under Article Twenty-Seven:

On a motion made by Stewart MacKay, it was voted to raise and appropriate the sum of One Hundred Thirty-Three Dollars and Ninety-Eight Cents for the purpose of satisfying a verdict of the Superior Court in the matter of the suit for land damages filed by Manuel Mello.

Under Article Twenty-Eight:

On a motion made by James A. Grant, it was voted to raise and appropriate the sum of One Hundred Thirty-Six Dollars and Thirty-Eight Cents for the purpose of supplying a deficiency in the Old Westford Road Account.

Under Article Twenty-Nine:

On a motion made by Stewart MacKay, it was voted to raise and appropriate the sum of Six Hundred and Seventy-Five Dollars for the purpose of grading, seeding and the installation of a drinking fountain and otherwise embellishing the Common at the North Village.

Under Article Thirty:

On a motion made by Stewart MacKay, to appropriate the sum of Six Hundred Eighty Dollars for the purpose of purchasing seats and furniture at the Town Hall, North Village, this motion was lost. After the noon recess it was voted to reconsider this article and on a motion by Stewart MacKay it was voted to raise and appropriate the sum of

Six Hundred Eighty Dollars for the purpose of purchasing seats and furniture for use at the Town Hall at the North Village.

Under Article Thirty-One:

On a motion made by Harold C. Petterson that the Town vote to change the date of the Annual Town Meeting from the first Monday in February to the first Monday in March the same to take effect in the year 1935, this motion was amended by Town Counsel John H. Valentine, and it was voted to lay this article on the table until after the noon recess, for the purpose of investigating the legality of this motion. After the noon recess, on a motion made by Harold C. Petterson, it was voted that the Town change the date of the Annual Town Meeting from the First Monday in February to the First Monday in March, the same to take effect in the year 1935.

Under Article Thirty-Two:

On a motion made by Frank J. Lupien, it was voted to raise and appropriate the sum of One Thousand Dollars for the purpose of foreclosing Tax Titles and selling land of low value as set forth in the General Laws.

Under Article Thirty-Three:

On a motion made by Frank J. Lupien, it was voted to raise and appropriate the sum of Five Thousand Four Hundred and Forty-Six Dollars and Eighty-Six Cents for the purpose of supplying a deficiency in the Outside Aid and Old Age Assistance Accounts.

At this point of the meeting it was voted to hold a noon recess from 12 M. to 1 P. M.

Under Article Thirty-Four:

On a motion made by Frank J. Lupien, it was voted to raise and appropriate the sum of Three Thousand Dollars for the purpose of paying for tools, materials, equipment purchased and to be purchased to continue work under the Civil Works Administration projects.

Under Article Thirty-Five:

On a motion made by Harold C. Petterson, it was voted to raise and appropriate the sum of Fifty Dollars for the purpose of re-imbursing Frank J. Lupien, local Civil Works Administrator for expenses incurred and paid for in the year 1933.

Under Article Thirty-Six:

On a motion made by Stewart MacKay, it was voted to authorize the Selectmen to remove the water pump located near the Quessy School on School Street, West Chelmsford.

Under Article Thirty-Seven:

On a motion made by John C. Monahan, in regard to appropriating Four Thousand Dollars for grading Stedman Street, it was voted to dismiss this article.

Under Article Thirty-Eight:

On a motion made by Harry L. Shedd, it was voted to raise and appropriate the sum of Twelve Hundred Dollars for the purpose of purchasing an automobile truck and the equipment incident thereto for use in the Fire Department.

Under Article Thirty-Nine:

On a motion made by James P. Cassidy, it was voted to raise and appropriate the sum of Seventeen Hundred Dollars to be used for the purpose of installing new lavatories in the New School Building at Princeton Street.

Under Article Forty:

On a motion made by James A. Grant, it was voted to raise and appropriate the sum of Seven Hundred Ninety-Three Dollars and Ninety-Five Cents, to pay the County of Middlesex, as required by law, the Town's share of the net cost of the care, maintenance and repair of the Middlesex County Tuberculosis Hospital and for the Town's share of the expense under the provision of Chapter 331 of the Acts of 1933, which provides for the settlement of certain claims of the Commonwealth against the Middlesex County Tuberculosis Hospital District, including interest or discount on temporary notes issued therefor, as assessed in accordance with the provision of Chapter 111 of the General Laws and Acts in amendment thereof in addition thereto.

Under Article Forty-One:

On a motion made by Harold C. Petterson, it was voted to authorize the Board of Assessors to use the sum of Twenty Thousand Dollars (\$20,000.00) or whatever sum that the Tax Commissioner approves as free cash to be applied in computing the tax rate for the year 1934.

On a motion made by James A. Grant, it was voted to adjourn this meeting at 3 P. M.

WALTER PERHAM  
Moderator

HAROLD C. PETERSON  
Town Clerk

## WARRANT FOR PARTY PRIMARY

---

### COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To John J. Buchanan, a Constable of the Town of Chelmsford.

#### GREETING:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in Primaries to meet in their several polling places, viz:

- Precinct One, Town Hall, Chelmsford Centre.
- Precinct Two, Town Hall, North Chelmsford.
- Precinct Three, Fire House, West Chelmsford.
- Precinct Four, Schoolhouse, East Chelmsford.
- Precinct Five, Liberty Hall, South Chelmsford.
- Precinct Six, Golden Cove Schoolhouse, Westlands.

On Tuesday, the Twenty-fourth day of April, 1934, at 12 o'clock noon, for the following purposes:

To bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

DISTRICT MEMBER OF STATE COMMITTEE, for each of the political parties for the 8th Senatorial District.

THIRTY MEMBERS OF THE DEMOCRATIC TOWN COMMITTEE.

THIRTY MEMBERS OF THE REPUBLICAN TOWN COMMITTEE.

ONE DELEGATE TO THE STATE CONVENTION OF THE DEMOCRATIC PARTY.

ONE DELEGATE TO THE STATE CONVENTION OF THE REPUBLICAN PARTY.

All the above candidates are to be voted for upon one ballot.

The polls will be open from 12 o'clock noon to 8 P. M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

HEREOF FAIL NOT and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this fourteenth day of April, A D. 1934.

FRANK J. LUPIEN,  
STEWART MacKAY,  
JAMES A. GRANT,  
Selectmen of Chelmsford.

---

RETURN

COMMONWEALTH OF MASSACHUSETTS

Chelmsford, Mass., April 16, 1934.

Middlesex, ss.

I have served the foregoing Warrant by posting attested copies thereof more than seven days before the time of said meeting as directed by vote of the Town and by the foregoing order.

JOHN J. BUCHANAN,  
Constable of Chelmsford, Mass.

HAROLD C. PETTERSON,

Town Clerk.

**WARRANT FOR SPECIAL TOWN MEETING**  
**At Upper Town Hall, Chelmsford Centre,**  
**Friday Evening, June 29, 1934**

---

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To John J. Buchanan, a Constable of Chelmsford.

GREETING:

In the name of the Commonwealth as aforesaid you are hereby required to notify and warn the legal voters of said Chelmsford to meet in the Upper Town Hall at Chelmsford Centre on Friday the Twenty-ninth day of June, 1934, at eight o'clock in the evening then and there to act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars or some other sum, to be expended on highways; or act in relation thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars or some other sum to be used in the maintenance of public halls; or act in relation thereto.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of Twenty-Two Hundred and Eighty-Five Dollars or some other sum for the purpose of purchasing a new automobile truck; or act in relation thereto.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of Twenty-Seven Hundred Dollars, or some other sum for the purpose of purchasing a power grader for use in the highway department; or act in relation thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Hundred Dollars for the purpose of defraying the expense of purchasing materials, expense of trucking and other necessary expenditures to continue the projects under the Emergency Relief Administration; or act in relation thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of Seventy-Eight Dollars, or some other sum for the purpose of defraying the cost of an electric traffic light situated at the junction of the North Road and Princeton Boulevard; or act in relation thereto.

ARTICLE 7. To see if the Town will vote to accept the gift of a strip of land from Thomas F. Reilly situated between Crystal Lake so-called and land owned by the Town of Chelmsford in North Chelmsford; or act in relation thereto.

ARTICLE 8. To see if the Town will vote to authorize the School Committee to sell by a good and sufficient bill of sale the garage building and contents therein located on the Southerly side of Washington Street in the North Village; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant by posting attested copies thereof at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, and at West Chelmsford and at the Schoolhouse, East Chelmsford, and at the Golden Cove Schoolhouse, Westlands, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT and make return of this Warrant with your doings thereon, to the Town Clerk, at the time and place of holding the meeting aforesaid.

Given under our hands this Twentieth day of June in the year of our Lord, nineteen hundred and thirty-four.

FRANK J. LUPIEN,  
JAMES A. GRANT,  
STEWART MacKAY,  
Selectmen of Chelmsford.

---

COMMONWEALTH OF MASSACHUSETTS

June 21, 1934.

Middlesex, ss.

PURSUANT TO THE WITHIN WARRANT, I have notified and warned the inhabitants of the Town of Chelmsford by posting up attested copies of the same at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, West Chelmsford and at the Schoolhouse, East Chelmsford and at the Golden Cove Schoolhouse, Westlands, seven days before the date hereof as within directed.

JOHN J. BUCHANAN,  
Constable of Chelmsford.

## SPECIAL TOWN MEETING

June 29, 1934

---

At a legal meeting of the inhabitants of the Town of Chelmsford, qualified to vote in Town affairs, held in the Upper Town Hall at Chelmsford Centre on June 29, 1934, at eight o'clock in the evening, the following business was transacted, to wit:

The meeting was called to order by Moderator Walter Perham and the Town Clerk was requested to read the Warrant. After the Warrant was partly read on a motion made by J. Carroll Monahan it was voted to waive the further reading of the Warrant.

Under Article One:

On a motion made by Stewart MacKay, it was voted to raise and appropriate the sum of Five Thousand Dollars to be expended for highway purposes.

Under Article Two:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of Eight Hundred Dollars to be used for public halls maintenance.

Under Article Three:

On a motion made by James A. Grant it was voted to raise and appropriate the sum of Twenty-Two Hundred and Eighty-Five Dollars for the purpose of purchasing an automobile truck, and the Board of Selectmen is hereby authorized and empowered to make such a contract of purchase in behalf of the Town.

Under Article Four:

On a motion made by Frank J. Lupien it was voted to raise and appropriate the sum of Twenty-Seven Hundred Dollars for the purpose of purchasing a power grader, and the Board of Selectmen is hereby authorized and empowered to make such a contract of purchase in behalf of the Town.

Under Article Five:

On a motion made by Frank J. Lupien it was voted to raise and appropriate the sum of Twenty-Five Hundred Dollars for the purpose of purchasing materials, to defray the cost of transportation and other necessary expenditures to continue the work under the Emergency Relief Administration projects. Said money to be expended under the direction of the Board of Selectmen.

Under Article Six:

On a motion made by Stewart MacKay it was voted to raise and appropriate the sum of Seventy-Eight Dollars for the purpose of defraying the cost of an electric traffic light situated at the junction of the North Road and the Princeton Boulevard.

Under Article Seven:

On a motion made by Stewart MacKay it was voted to authorize the Board of Selectmen to accept in behalf of the inhabitants of Chelmsford, and without expense to the aforesaid inhabitants other than the expense of drawing up a deed and recording the same conveying title from Thomas F. Reilly of New Haven, Conn., to the inhabitants of Chelmsford, of a certain parcel of land situated in that part of Chelmsford called North Chelmsford and bounded and described as follows:

Westerly by Crystal Lake so-called.

Southerly by the southerly line of Adams Street.

Easterly by land owned by the inhabitants of Chelmsford.

Northerly by other land of Thomas F. Reilly.

Under Article Eight:

On a motion made by James P. Cassidy, it was voted to authorize the School Committee to sell, for the purpose of removing from Town owned land the garage building and contents now located on the school grounds on the southerly side of Washington Street in the northerly part of Chelmsford, at private sale or public auction for such sum as the said Committee may deem sufficient, and that the said Committee be authorized to execute a good and sufficient conveyance of the said property.

Voted to adjourn this meeting at 9.20 P. M.

WALTER PERHAM  
Moderator

HAROLD C. PETERSON  
Town Clerk

**WARRANT FOR STATE PRIMARY**  
**Thursday, the Twentieth Day of September, 1934**

---

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To John J. Buchanan, a Constable of the Town of Chelmsford.

HAROLD C. PETERSON,  
Town Clerk.

## WARRANT FOR STATE ELECTION

---

November 6, 1934.

Middlesex, ss.:

To John J. Buchanan, a Constable of the Town of Chelmsford.

### GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said Town who are qualified to vote in elections to meet in their several polling places, viz:

Precinct One, Town Hall, Chelmsford Centre.  
Precinct Two, Town Hall, North Chelmsford.  
Precinct Three, Fire House, West Chelmsford.  
Precinct Four, Schoolhouse, East Chelmsford.  
Precinct Five, Liberty Hall, South Chelmsford.  
Precinct Six, Golden Cove Schoolhouse, Westlands.

Tuesday, the sixth day of November, 1934, being the first Tuesday after the first Monday in said month, at eight o'clock A. M. for the following purposes:

To bring in their votes for the following officers:

Governor for this Commonwealth.

Lieutenant Governor for this Commonwealth.

Secretary for this Commonwealth.

Treasurer for this Commonwealth.

Auditor for this Commonwealth.

Attorney General for this Commonwealth.

Senator in Congress.

Representative in Congress.

One Representative for the General Court in the 11th Representative District.

Councillor for the Sixth Councillor District.

One Senator in the Eighth Senatorial District.

District Attorney for the County of Middlesex.

Clerk of Courts, Middlesex County.

Register of Deeds, Northern Middlesex County District.

One County Commissioner.

Two Associate County Commissioners, for Middlesex County.

### VACANCIES:

Sheriff for Middlesex County.

And to act upon the following matters:

Question No. One:

Shall the law described as follows:—

This law amends General Laws, Chapter 131 as previously amended.

by repealing section 105A thereof and adding thereto three new sections, 105B, 105C and 114A.

Section 105B provides that whoever uses any trap or other device for capture of fur bearing animals,<sup>e</sup> which is not designed to kill such animal at once or to take it unhurt and which is likely to cause continued suffering to an animal caught therein, shall be fined fifty dollars, but traps or other devices for protection of property, set not more than fifty yards from any building, cultivated plot, or enclosures used for rearing poultry or game birds, to use of which the presence of vermin may be detrimental, are excluded from the application of this section.

Section 105C, provides for the submission to the voters at a municipal election in any city or town upon petition, of the question of whether the operation of section 105B shall be suspended or if it has already been suspended, of the question whether it shall again be operative in such city or town.

Section 114A, provides that the Commissioner of Conservation may suspend the operation of section 105B for a period not exceeding thirty days within any specified territory under the control of his department.

The law also provides for the submission by the Selectmen to the voters at a special town meeting in the current year, upon petition of the question as to whether the provisions of section 105B shall be suspended in any town; and which was approved by both branches of the General Court by vote not recorded, be approved?

To obtain full expression of opinion, voters should vote on both of the following question:

(A) If a voter desires to permit the sale of any and all alcoholic beverages in this city or town he will vote "Yes" on both questions.

(B) If he desires to permit the sale of wines and malt beverages only herein, he will vote "No" on question one and "Yes" on question two.

(C) If he desires to prohibit the sale of any and all alcoholic beverages herein he will vote "No" on both questions.

One: Shall licenses be granted in this city or town for the sale herein of all beverages (whiskey-rum-gin-malt-beverages, wines and all other alcoholic beverages)?

Two: Shall licenses be granted in this city or town for sale of wines and malt beverages (wines and beer, ale and all other malt beverages)?

One: Shall the pari-mutuel system of betting on licensed horse racing be permitted in this County?

Two: Shall the pari-mutuel system of betting on licensed dog races be permitted in this County?

The polls will be open from eight o'clock A. M. to eight o'clock P. M.

And you are directed to serve this Warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the Town.

HEREOF FAIL NOT and make return of this Warrant with your doings thereon at the time and place of said meeting.

Given under our hands this Twenty-Seventh day of October, A. D. 1934.

STEWART MacKAY,  
JAMES A. GRANT,  
FRANK J. LUPIEN,

Selectmen of Chelmsford.

RETURN

COMMONWEALTH OF MASSACHUSETTS

Chelmsford, October 27, 1934.

Middlesex, ss.:

PURSUANT TO THE WITHIN WARRANT, I have notified and warned the inhabitants of the Town of Chelmsford by posting up attested copies of the same at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, West Chelmsford and at the Schoolhouse, East Chelmsford and at the Golden Cove Schoolhouse at the Westlands, seven days at least before the date hereof, as within directed.

JOHN J. BUCHANAN,

Constable of Chelmsford.

RUTH C. WILKINS, Town Clerk, Carlisle.

HAROLD C. PETTERSON, Town Clerk, Chelmsford.

WILLIAM CHANNING BROWN, Town Clerk, Littleton.

CHARLES L. HILDRETH, Town Clerk, Westford.

November 14, 1934.

# WARRANT FOR SPECIAL TOWN MEETING

At Upper Town Hall, Chelmsford Centre,

Tuesday Evening, December 4, 1934

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.:

To John Buchanan, a Constable of Chelmsford.

GREETING:

In the name of the Commonwealth aforesaid you are hereby required to notify and warn the legal voters of said Chelmsford to meet in the Upper Town Hall at Chelmsford Centre on Tuesday, the Fourth day of December, 1934, at eight o'clock in the evening, then and there to act upon the following articles, viz:

ARTICLE 1. To see if the Town will vote to raise and appropriate the sum of Fifty Dollars (\$50.00), or some other sum, for the purpose of defraying the Selectmen's expenses; or act in relation thereto.

ARTICLE 2. To see if the Town will vote to raise and appropriate the sum of Three Hundred and Thirty-One Dollars (\$331.00), for the purpose of defraying election expenses; or act in relation thereto.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of Two Hundred Nineteen Dollars (\$219.00), for the purpose of defraying police expenses incurred by Special Police Officers doing strike duty; or act in relation thereto.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00), or some other sum, for the purpose of defraying the cost of Old Age Assistance and Outside Poor; or act in relation thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00), or some other sum for the purpose of purchasing materials to carry on the Emergency Relief Administration projects; or act in relation thereto.

ARTICLE 6. To see if the Town will vote to transfer from the School Appropriation Fund for Instruction, the sum of Seven Hundred and Seventy-Five Dollars (\$775.00), or some other sum, to the School Appropriation Fund for Operation and Maintenance; or act in relation thereto.

ARTICLE 7. To see if the Town will vote to transfer from the School Appropriation Fund for Instruction, the sum of One Hundred and Twenty-Five Dollars (\$125.00), or some other sum to the School Appropriation Fund for Operation and Maintenance; or act in relation thereto.

And you are directed to serve this Warrant by posting attested copies thereof, at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford, and West Chelmsford and at the Schoolhouse, East Chelmsford, and at the Golden Cove Schoolhouse, Westlands, seven days at least before the time appointed for holding the meeting aforesaid.

HEREOF FAIL NOT and make return of this Warrant with your doings thereon, to the Town Clerk at the time and place of holding the meeting aforesaid.

Given under our hands this Twenty-Fourth day of November in the year of our Lord nineteen hundred and thirty-four.

FRANK J. LUPIEN,  
JAMES A. GRANT,  
STEWART MacKAY,

Selectmen of Chelmsford.

RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.:

I have served the foregoing Warrant by posting attested copies thereof at the Post Offices in Chelmsford Centre, North Chelmsford, and West Chelmsford and South Chelmsford and at the Schoolhouse in East Chelmsford and at the Golden Cove Schoolhouse, Westlands, seven days before the time of said meeting as directed by a vote of the Town and by the foregoing order.

JOHN J. BUCHANAN,

Constable of the Town of Chelmsford.

November 26, 1934.

## SPECIAL TOWN MEETING

December 4, 1934

At a legal meeting of the inhabitants of the Town of Chelmsford qualified to vote in Town affairs, held pursuant to Warrant duly posted in the six precincts of the Town, said meeting held in the Upper Town Hall at Chelmsford Centre on December 4, 1934, at eight o'clock in the evening, the following business was transacted, to wit:

The meeting was called to order by Moderator Walter Perham and Town Clerk Harold C. Pettersen was requested to read the Warrant, after the Warrant was partly read, on a motion made by James A. Grant it was voted to waive the further reading of the Warrant.

Under Article One:

On a motion made by James A. Grant, it was voted to raise and appropriate the sum of Fifty Dollars (\$50.00) for the purpose of defraying Selectmen's expense.

Under Article Two:

On a motion made by Stewart MacKay it was voted to raise and appropriate the sum of Two Hundred Seventy-Eight Dollars and Seventy-Nine Cents (\$278.79) for the purpose of defraying election expense.

Under Article Three:

On a motion made by Stewart MacKay it was voted to raise and appropriate the sum of Two Hundred Nineteen Dollars (\$219.00) for the purpose of defraying Police Expenses.

Under Article Four:

On a motion made by Frank J. Lupien it was voted to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) for the purpose of defraying the cost of Old Age Assistance and for Outside Poor.

Under Article Five:

On a motion made by Frank J. Lupien it was voted to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the purpose of purchasing materials to carry on the Emergency Relief Administration projects.

Under Article Six:

On a motion made by John A. McAdams it was voted to transfer the sum of Seven Hundred Seventy-Five Dollars (\$775.00) from the School Account Instruction to the School Account Operation and Maintenance.

Under Article Seven:

It was voted to dismiss this article.

Voted to adjourn this meeting at 8.30 P. M.

WALTER PERHAM

Moderator

HAROLD C. PETERSON

Town Clerk

## VITAL STATISTICS

For the Year Ending December 31, 1934

Attention is called to the following vital statistics. It is important that these records shall be correct. If any errors are discovered the Town Clerk will deem it a favor to have them reported at once so that corrections may be made.

As required by Chapter 16, Section 15, General Laws of Massachusetts, notice is hereby given that the Town Clerk will furnish blanks for returns of births to parents, householders, physicians and registered hospital officers applying therefor.

	<hr/>	\$486,242.41

## RECONCILIATION OF TREASURER'S CASH

Bank Balance December 31, 1934:	
Appleton National Bank .....	\$ 17,053.65
Union Old Lowell National Bank .....	1,497.79
	\$ 18,551.44
<i>(As per statements on following pages.)</i>	
Checks Outstanding December 31, 1934 .....	8,001.52
	\$ 10,549.92

The large amount of outstanding checks is caused by reason of a Warrant being issued on December 31, 1934, and consequently the checks issued for payment of these accounts could not be cancelled in December 1934.

The Treasurer's books of accounts are always open for public inspection to any citizen of Chelmsford, if any information is desired the Treasurer will be glad to assist any person in the matter.

HAROLD C. PETERSON,  
Town Treasurer.

## REPORT OF THE TAX COLLECTOR

For the Year Ending December 31, 1934

I herewith submit my annual report as Tax Collector for the Town of Chelmsford for the year ending December 31, 1934.

At this time I say to the voters that the problem of reducing the amount of our tax bills should have the co-operation of very citizen in this Town, as it seems to be increasingly hard for our tax payers to meet the amounts levied upon their property, therefore I further say that it is the duty of every tax payer to study the various articles in the warrant for the annual town meeting which is to be held the second Monday in March in the upper Town Hall at Chelmsford Centre and also study the report of the Finance Committee's recommendations as set forth in the budget under article two which will be found under their report elsewhere in this report and come to town meeting prepared to eliminate any expenditure which is not absolutely essential.

The tax bills for the year 1935 according to the General Laws must be in the hands of the tax payers not later than June 14, 1935, fifty percent of this bill is payable on July 1, 1935 and the balance is payable on November 1, 1935, if the bill is not paid in full on November 1, 1935, the interest will revert back to October 1, 1935. If there are any questions regarding tax bills for the year the Tax Collector will be glad to answer them.

Any question regarding the assessment of property should be presented to the local Board of Assessors, who hold their regular meeting the first Wednesday in each month, at their office in the Chelmsford Centre Town Hall.

The Assessors' commitment to me of taxes, State, County and Town and also Motor Vehicle Excise taxes for 1934 is made up as follows:

### State and County Tax:

State Tax .....	\$ 9,500.00

## REPORT OF TRUSTEES OF THE ADAMS LIBRARY

The trustees met on February 17, 1934 and organized with Albert H. Davis as chairman, Mrs. Luella H. S. Clark as secretary, and Frederick A. P. Fiske as treasurer.

Mr. Fiske and Mr. Davis were appointed to approve all bills except for books, and Mr. Davis and Mrs. Clark to approve bills for books.

Mrs. Ida A. Jefts was reappointed as librarian and Mrs. Aldegonde Peterson as assistant librarian.

The services of Miss Marianna Hemenway were engaged for two hours each Saturday to assist in the children's department.

Respectfully submitted,

ALBERT H. DAVIS,  
 LUELLE H. S. CLARK,  
 LOTTIE L. SNOW,  
 FRED W. PARK,  
 FRANCES CLARK,  
 FREDERICK A. P. FISKE.

		<hr/>
Total Cost to Town.....		\$ 8,093.78

#### RECOMMENDATIONS

To keep up the high standard and efficiency of the department I feel that it is necessary to purchase a new police car this year. The time for using motorcycles for police service is passing rapidly. In order to be able to apprehend the criminal of today police must be prepared and have proper facilities to transport the extra equipment needed. By this I mean that an officer in a car with radio can accurately and efficiently take care of any violation of the law which he may meet with.

I also recommend that some provisions be made for the setting up of a lockup in Chelmsford, to be used for the caring of persons arrested. At the present time we are using the facilities at the Lowell Police Station. I feel that the money we are paying the City of Lowell for this service could be put towards the maintenance of one for our own town.

I wish to acknowledge again my real appreciation for the assistance and co-operation extended me by the Honorable Board of Selectmen, also I am extremely grateful to the citizens, to the officers of the Lowell District Court for the cordial and helpful attitude they have extended me. I commend my comrades for their loyalty and co-operation.

Respectfully submitted,

BERNARD F. McGOVERN,

Chief of Police.

## REPORT OF FISH AND GAME WARDEN

To the Honorable Board of Selectmen,  
Chelmsford, Mass.  
Gentlemen:

I herewith submit my first annual report of my duties as Fish and Game Warden for the year ending December 31, 1934.

Fishing and Hunting Licenses Inspected .....	93
Licenses Seized from Non-Citizens .....	1
Warnings to Juveniles .....	4
Complaints Received and Investigated .....	14
Arrests and Convictions .....	2
Fines .....	\$20.00

With the co-operation of the State Department of Conservation the following amount of fish and game have been liberated for propagation in the town during the past year, with the assistance of the restocking committee of the South Chelmsford Rod and Gun Club.

Pheasants .....	272
Quail .....	60
Brook Trout .....	1600
Pond Fish (White and Yellow Perch, and Crappeys) .....	3000

In conclusion I wish to express my appreciation to the sportsmen of the town, members of the South Chelmsford Rod and Gun Club and District Deputy Warden Harold Crosby, for the splendid co-operation I have received from them in the past year.

Respectfully submitted,

RALPH J. HULSLANDER,  
Fish and Game Warden.

---

## REPORT OF THE BOARD OF HEALTH

Officers and Citizens of the Town of Chelmsford:

The records of the past year show that the Board of Health of Chelmsford has completed the most active year in the history of the board.

The number of school children to receive the Schick and Immunization tests has increased more than three hundred percent since the introduction of the use of Toxin-Anti-Toxin into the schools of Chelmsford in 1927, and more than one hundred and fifty percent more children received the test this year than did last year.

There were two hundred and one more children examined this year by the school dentist and a noticeable increase in the amount of work done.

All this means that a great deal of credit is due our agent, Mrs. Mae Lewis, who, through her untiring efforts has raised the health standard of both school and pre-school children to an almost hundred percent record.

The value of the Schick test and immunization and dental clinics in the town is inestimable.

Citizens of the town, parents of pre-school and school children, will be able to gain some idea of the worth of an agent such as Mrs. Lewis, by carefully reading her report which she has prepared and submitted to this board.

Because of conditions at the Westlands dump last spring, it was found necessary to appoint a caretaker there. Again the board urges the co-operation of the residents in that section in bringing about better conditions in this dumping area. This is a civic duty and a matter for the personal co-operation of every individual.

The report of the Plumbing Inspector, Milk Inspector, show an increase in activity during the past year in both departments.

The report of the Inspector of Slaughtering shows that there was a considerable increase in the number of animals slaughtered in the town during the year 1934.

Residents of the North Village are to be commended on the splendid co-operation which they have given the board in observing the regulations and restrictions provided for the dumping area in this section. In the future, however, all residents of the North Village are requested to refrain from dumping on land adjacent to the Varney Playground at the termination of Adams street.

In submitting this report, I wish to thank those who have been associated with me during my term of office, the agent, Mrs. Mae Lewis, the other members of the board, Dr. Varney and Dr. Scoboria, school physicians, and the Police Department, all of whom by their splendid co-operation have made my service to the town a pleasure.

Respectfully submitted,

JAMES KIBERD, Jr.,  
Chairman, Board of Health.

December 31, 1934.

---

## REPORT OF THE AGENT OF THE BOARD OF HEALTH

Mr. James Kiberd,  
Chairman of Board of Health.

Dear Sir:

The following is a report for the year 1934:

Scarlet Fever .....	5
Measles .....	90
Tuberculosis .....	1
Whooping Cough .....	6
Chicken Pox .....	2
Trachoma .....	1
Lobar Pneumonia .....	1
Mumps .....	1
Dog-bite .....	9
Fox-bite .....	1

Erysipelas .....	1
Diphtheria .....	1
(This pupil had not received either immunization or Schick test.)	
Investigations .....	186
Sanitary Visits .....	47

When contagious diseases are reported in the schools, the school physician and the nurse examine those who have been in contact with the diseased child; then, any books the child may have had are taken by the nurse, fumigated, and returned to the places from where they were taken. Pupils having colds have been excluded for the purpose of protecting children with whom they come in contact.

Several trips were made with patients to the Middlesex County Sanatorium, Tewksbury State Hospital, and to the G. U. clinic in Lowell.

Pupils Schicked in May who were immunized in October	
1933 .....	350
Negative .....	345
Positive .....	5

These five children who were positive in May were reimmunized in October, 1934, along with 221 pupils, teachers, and pre-school children. Out of the 1242 children in the elementary schools and 408 in High school, a very small percentage have not received the Toxin-Anti-Toxin.

Thus far, the Department of Public Health has not conducted the annual follow-up clinic, but I expect that they will do so in the early part of the year.

Dr. Archibald from the Department of Public Health visited several times during the year.

Dr. Ritter, the school dentist, has completed the following work:

Number Examined by School Dentist .....	1011
Permanent Fillings .....	614
Temporary Fillings .....	480
Teeth Treated .....	210
Permanent Extractions .....	41
Temporary Extractions .....	308
Cleanings .....	604

Many children unable to pay for treatment of teeth were given care through the generosity of the various Parent-Teacher Associations in the town.

I wish to thank everyone for their kind and excellent co-operation.

Respectfully submitted,

MAE S. LEWIS, R. N.,  
Agent for Board of Health.

December 31, 1934.

# ANNUAL REPORT OF THE MILK INSPECTION DIVISION

December 31, 1934.

Board of Health,  
Chelmsford, Mass.  
Gentlemen:

I have the honor to present the report of the Milk Inspection Division for the year ending December 31, 1934.

Five stores were registered to sell oleomargarine.

Three licenses were issued to milk dealers to maintain establishments for the pasteurization of milk.

Milk licenses were issued to forty-four stores and nineteen distributors.

Seventy-four dollars, collected for license fees, were paid to the Town Treasurer.

Four hundred twenty-six dairy farms supplied Chelmsford with milk in 1934. They were scored and classified according to the minimum uniform requirements of the Milk Regulation Board. Several milk houses or milk rooms were built; many cooling tanks were installed; and much milk equipment was replaced in order to comply with the regulations of the Milk Regulation Board. Several dairy farms were shut off from the market for short periods for violation of the requirements. There has been a commendable and co-operative spirit manifested by the most of the producers of milk in trying to comply with these new regulations.

There were seized from dealers eight hundred fifty-four chemical; four hundred thirty-nine bacterial; four hundred thirty-nine sediment; and three hundred twenty-seven temperature, samples of milk.

The numerical average for the chemical samples for the year was: Total solids, 13.05%; fat, 4.07%.

The medium bacterial counts for the year were:

Pasteurized milk, 9,800 per cubic centimeter.

Raw milk, 12,000 per cubic centimeter.

Cream, 15,000 per cubic centimeter.

There were seized from producers three hundred twenty-eight chemical; three hundred twenty-six bacterial; eighty-seven sediment; and one hundred ninety-three temperature, samples of milk. The median bacterial count was 14,000 per cubic centimeter.

One hundred forty-two inspections of milk dealers plants were made.

Approximately one thousand nine hundred sixty-four quarts of milk and sixty-one quarts of cream are consumed daily.

59.47 per cent of the milk sold is pasteurized; 40.53 per cent raw.

19.00 per cent is sold from stores; 81 per cent from wagons.

Respectfully submitted,

MELVIN F. MASTER.

## REPORT OF THE INSPECTOR OF SLAUGHTERING

January 1, 1935.

To the Board of Health,  
Chelmsford, Mass.  
Gentlemen:

I submit the following report of animals slaughtered by licensed butchers and owners at their premises. From January 1, 1934 to January 1, 1935. Have been inspected by me.

Cattle .....	892
Calves .....	911
Hogs .....	466
Sheep .....	2806
Goats .....	4

Of these were condemned:

Cattle .....	9
Calves .....	85
Sheep .....	3
Hogs .....	4

All inspections have been reported to the State authorities.

Respectfully submitted,

W. C. GALE,

Inspector of Slaughtering.

---

## REPORT OF MEAT INSPECTOR

Chelmsford, Mass., January 1, 1935.

To the Board of Health:  
Gentlemen:

The following is a report of the animals slaughtered in Chelmsford from Dec. 1, 1934, to Jan 1, 1935:

Cattle .....	30
Calves .....	33
Hogs .....	117
Sheep .....	250

Of these were condemned:

Hogs .....	1
------------	---

Respectfully submitted,

W. C. GALE,

Meat Inspector.

## REPORT OF THE INSPECTOR OF MARKETS

January 1, 1935.

To the Board of Health,  
Chelmsford, Mass.,  
Gentlemen:

I submit the following report on markets, butcher and fish carts. I have found them in good condition, although I have condemned 1058 pounds of meat and 75 pounds of fowl. They were seized and confiscated.

Respectfully submitted,

W. C. GALE,

Inspector of Meats.

---

## INSPECTOR OF ANIMALS REPORT

Chelmsford, Mass., January 1, 1935.

Board of Selectmen,  
Chelmsford, Mass.  
Gentlemen:

The report of the work done by this department during the year 1934 under the direction of the Division of Animal Industry, Department of Conservation until December 1, and then under the Division of Livestock Disease Control, Department of Agriculture, follows:

The annual inspection of all animals ordered during the latter part of the year has been completed and a detailed report submitted to the Division of Livestock Disease Control.

There are 207 stables, four more than last year in which were found 722 dairy cows, 213 young cattle and 28 bulls, making a total of 963 head, 54 more than last year. Thirteen of these stables contained only swine, sheep or goats, while 79 stables were occupied by only one cow each.

There were also 396 swine, 10 sheep and 3 goats.

All cattle in town are now under State and Federal supervision for tuberculosis eradication. Twenty-nine cows reacted to the test and were killed, they were condemned in seventeen different stables; these stables were properly cleaned and disinfected. One hundred twenty-two cows and six bulls for dairy purposes, six beef cattle and 26 calves were shipped into town during the year on permits issued by the State Division. All were identified and released upon proof of satisfactory test charts and certificates showing that they came from herds free from Bangs disease during the year previous to entry into Massachusetts.

Twenty-nine dog bite cases were investigated. Twenty-five dogs and one cat were quarantined for a two weeks observation period and all except the cat and one dog were released as no rabies developed. The cat and dog were in contact with a rabid dog and were killed soon after they were quarantined. This rabid dog, the only one in town this year, fortunately bit no one before being killed.

Persons desiring to ship cattle into town from other states should get a permit from the Division of Livestock Disease Control, 100 Nashua

street, Boston, to accompany the shipment and secure a statement from the seller stating that the cattle came from a herd that was free from Bang's disease during the past year. Upon arrival of such cattle notify the inspector of animals. Dairy cattle owners would do well to learn more about what the State and Federal governments are doing to control Bang's disease, which is causing a great loss to the dairy industry.

The State will make free blood tests and the Federal authorities will test your animals and will pay you a sum not exceeding twenty dollars plus salvage for a grade cow that reacts to the test. See your local inspector for details about Bang's disease or mastitis.

I wish to express my appreciation to Mrs. Mae Lewis, School Nurse, Police Department, Health Department and physicians for their co-operation in dog bite cases.

ARNOLD C. PERHAM,  
Inspector of Animals.

## REPORT OF THE PLUMBING INSPECTOR

Chelmsford, Mass., December 31, 1934

Board of Health,  
Chelmsford, Mass.

Following is a report of the plumbing work done for the year ending December 31, 1934.

Whole Number of Applications for Permits to Do Plumbing..	50
New Houses .....	10
Old Houses .....	40
	<hr style="width: 10%; margin-left: auto; margin-right: 0;"/>
Total .....	50
Inspections .....	109
Tests .....	38
	<hr style="width: 10%; margin-left: auto; margin-right: 0;"/>
Total .....	147

Following is a list of the various plumbing fixtures installed:

Water Closets .....	56
Lavatories .....	40
Bath Tubs .....	36
Wash Trays .....	17
Sinks .....	34
Drinking Fountains .....	2
Shower Baths .....	2
Floor Drains .....	2
	<hr style="width: 10%; margin-left: auto; margin-right: 0;"/>
Total .....	189

Respectfully submitted,

CHARLES N. MIDWOOD,  
Plumbing Inspector.

## REPORT OF THE WORK OF THE MIDDLESEX COUNTY EXTENSION SERVICE IN CHELMSFORD DURING 1934

The following is a report of the work done in this town by the Middlesex County Extension Service during the year 1934.

Chelmsford dairy farmers attended every one of the dairy meetings in the weekly series in Concord last February and March. Farmers were advised on dairy replacements, feeding and growing legumes. Following the T. B. test clean-up there is a growing interest in dairying.

Poultrymen have been assisted in brooder house troubles, range management and housing. Assistance has been given in diagnosing disease and advice given for its control.

A few boys have attended the informal discussions on agriculture at the Y. M. C. A. in Lowell conducted by the Extension Service.

Twenty-three farm visits were made on fruit and market garden subjects.

Moving pictures of apple picking and packing, cost figures and details of production were presented at a winter meeting attended by 26 fruit growers.

The discussion of vegetable diseases and fertilizers was attended by eight market gardeners.

A C. W. A. project on cutting neglected fruit trees was aided. The Extension Service has been emphasizing the danger of neglected trees in breeding pests such as the apple maggot.

Ten 4-H clubs took part in the exhibit and program at the Centre last spring as a finish to the winter's program. During the summer six garden clubs were carried on. Isabelle Hamilton of the North and Frank Burton of the South were each awarded a week at Camp Gilbert (leadership camp at Amherst).

Winners of the two-day trip to Amherst were Esther Quinnette of East; Marguerite Ferron, North; Eunice House, South; Eva Kelly, Centre, and Mae Reno, West. These awards were made for good work and spirit shown during the last three years. The Middlesex North Agricultural Society awarded money prizes to excellent 4-H gardens in South, \$10 to Anthony Niemasezyk, and \$4 to Roger Calder; in North, Magan Krasnecki, \$3; in West, Earl Boutilier, \$7. Mrs. Dewey Fish of the South was counselor at Camp Middlesex and taught metal work.

It should be remembered that the work of the Middlesex County Extension Service is free to all citizens of the county who desire to participate in its work. It is organized primarily to serve farmers, homemakers and boys and girls residing in rural sections, but homemakers, back yard gardeners and boys and girls in villages may also avail themselves of this service.

PERLEY W. KIMBALL.

## REPORT OF CEMETERY COMMISSIONERS

January 17, 1935.

To the Board of Selectmen,  
Chelmsford, Mass.  
Gentlemen:

The Cemetery Commissioners beg to submit the following report of Chelmsford cemeteries for year 1934 ending December 31.

Forefathers: Number of the perpetual care lots have been graded and reseeded. The general upkeep has been very good. With the great amount of rain we have had this fall all the reseeded, and in fact the cemetery as a whole is in first class condition. There were four interments in 1934.

Pine Ridge: The general work has been done as in other seasons. Most of the lots that were sold in 1933 have been graded which improves the cemetery as a whole. Three lots have been sold this year. There were 14 interments.

Hart Pond: We are pleased to say at this time we are making improvements in this cemetery. The drives in the new section are being extended as per blue prints. The top soil is taken from these drives and used as a filler for the locations where lots are to be sold. This will, and already has made a well graded section. One lot sold and seven interments.

West: General cleaning throughout. Planting of maple trees in old section. Replacing shrubbery that was winter killed last winter. Continuation of grading for new lots in new part. The tomb was also repaired. Mr. Taylor has kept the perpetual care lots in fine shape, and has top dressed them each fall. We will say that there has been improvement, and that the cemetery appearance is at all times in perfect condition.

Riverside: This is one of our older cemeteries, and a difficult one to care for. We appreciate the fine way Mr. Cutler has cared for this cemetery and at the same time made improvements. The perpetual and annual care lots have been well looked after.

Fairview: The general upkeep as in past seasons has been carried out. We believe each year there is a marked improvement in this cemetery.

At this time we wish to speak of the fine work that has been done in the cemeteries by the E. R. A. under the supervision of Engineer Flagg. Riverside, Fairview and Pine Ridge, the walls that have been erected and grading has made them so every one will be very much pleased and something the town can be proud of. The gates at Forefathers and Hart Pond are greatly appreciated.

Respectfully submitted,

ARTHUR O. WHEELER,  
BAYNARD C. DEAN,  
C. WESLEY LYONS,

Cemetery Commissioners,  
Town of Chelmsford.

By C. WESLEY LYONS, Clerk.

## REPORT OF FOREST WARDEN

To the Honorable Board of Selectmen,  
Chelmsford, Mass.  
Gentlemen:

I have the honor to submit the following report for the year ending December 31, 1934.

During the past year we were called to extinguish one hundred and ten (110) forest and grass fires. All fires were extinguished before any damage was done to buildings, but in some cases buildings were in danger and only prompt arrival enabled us to prevent a more serious result.

Most of the fires were caused by careless smokers; some were of unknown cause.

It is the wish of the State Forestry Department to have the Forest Warden or one of his deputies patrol the highways during the season when most forest fires occur; this would enable the Forest Warden to prosecute violators and also extinguish many fires before they have burned over a large area, thereby lowering the cost to the town.

Much credit is due State Observer Claude Welch for the very helpful assistance he has given at all times. His alertness in locating fires in the town has saved us a great deal.

Twelve hundred (1200) permits were issued for fires to be set in the open. Fine co-operation by the citizens of the town in caring for fires helped a great deal and very few got beyond their control.

The equipment of this department is in very good condition at the present time, with the exception of the truck which is entirely worn out and must be replaced if we are to continue our work with the same efficiency.

Besides the District Chiefs of the Fire Department the following Deputy Forest Wardens were appointed: Wallace A. Greig, Adam C. Zabierek, Walter H. Merrill, Fred W. Merrill, Fred L. Fletcher and Robert Henderson.

In conclusion I wish to express my appreciation to the Police Department, Fire Department and Deputy Forest Wardens for the fine assistance and co-operation that they have extended to me during the past year.

Respectfully submitted,

GILBERT H. PERHAM,  
Forest Warden.

## REPORT OF FIRE ENGINEERS

To the Honorable Board of Selectmen,  
Chelmsford, Mass.

Gentlemen:

The annual report of the Board of Fire Engineers is respectfully submitted herewith:

The Board is organized as follows:

Harry L. Shedd, Chief  
John W. Dixon, Asst. Chief  
John M. Kemp, Asst. Chief

with the latter also serving as Clerk of the Board.

The Board appointed the following District Chiefs:

Wilhelm T. Johnson	District No. 1
Joseph D. Ryan	District No. 2
Elmer Trull	District No. 3
Henry G. Quinn	District No. 4
Arthur W. House	District No. 5

Elmer Trull, Chief of District No. 3, resigned as of January 1, 1935, and the Board appointed in his place Walter Edwards.

We regret to record this change, because Mr. Trull has been connected with the Department since its inception, and his zealous and faithful service has been of inestimable value to the town.

Mr. Edwards, a brother of a former Chief, is fitted both by experience and ability to ably discharge the duties of his office, and will, we believe, make a splendid administrative officer.

The roster remains practically the same as last year, and the men of the Department have given evidence by their performance both at fires and drills, in all sorts of weather and at all hours of the day and night, that we have a loyal and efficient fire-fighting force.

The apparatus, equipment and quarters have been frequently inspected and kept in first-class condition.

We have installed at South Chelmsford a new pumping engine which will adequately take care of this part of the town for some time to come. One of the features of this truck is the booster tank, which runs the entire length of the body, contains 250 gallons of water ready for instant use, and which can be played on a fire for 45 minutes without being renewed. This pumper has been characterized as one of the best of its kind in the state.

The old wooden floor in the fire house at South Chelmsford has been taken up and a permanent floor of concrete laid down.

With the generous assistance of the E. R. A. five water holes have been established at strategic position, and others are in contemplation. These reservoirs have at least a minimum capacity of 10,000 gallons even in the dry season.

The East Chelmsford Water District is now nearing completion, and in order that the citizens of this community may have the full value of this work and obtain the lower rate of insurance it will be necessary for the town to install a 500-gallon pumper and 1000 feet of 2½" double jacket hose.

This is to comply with the requirements of the New England Insurance Exchange, which is the rating authority. An article has been placed in the Town Warrant to cover this, and if approved will provide the town with adequate apparatus for some time, in addition to providing the citizens with lowest insurance possible.

We are fortunate in noting only 94 alarms of fire. This includes brush fires and calls for assistance in surrounding towns and in Lowell.

Our department has been commended for its services by the authorities of Dunstable, Westford and Carlisle, and our relations with the Department in Lowell are most friendly.

This spirit of good will is a splendid asset to the town, and its effect in mutual aid extremely valuable in an emergency.

We cannot close without gratefully acknowledging the services of the Chief and Officers of our excellent Police Department, the State Troopers and Motorcycle Police of the Lowell Department, all of whom have always responded to every call with hearty and intelligent service.

HARRY L. SHEDD,

JOHN W. DIXON,

JOHN M. KEMP,

Board of Fire Engineers.

---

## REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen,  
Chelmsford, Mass.

Gentlemen:

I respectfully submit my annual report as Sealer of Weights and Measures, for the year ending January 1, 1935.

Number of Scales Tested and Sealed.....	144
Number of Weights Tested and Sealed .....	265
Number of Capacity Measures Tested and Sealed .....	17
Number of Automatic Measuring Devices Tested and Sealed.....	345

Respectfully submitted,

WALLACE A. GREIG.

## REPORT OF THE CHELMSFORD E. R. A., 1934

To the Honorable Board of Selectmen,  
Town of Chelmsford, Massachusetts.  
Honorable Sirs:

As administrator of the Chelmsford E. R. A. I herewith submit to you and the citizens of the Town my report for the past year showing such important details as, money received from the Federal Government, money spent by the Town for materials and equipment, projects completed during the year, and projects we can expect for the future. Also I will show figures on the number of families receiving work relief wages during the year plus other data which tend to prove that our E. R. A. activities have kept down local welfare costs, have improved our public property, and have helped to sustain the morale of our people.

### PROJECTS CARRIED ON UNDER C. W. A. AND E. R. A.

The projects completed and in course of construction since the beginning of the C. W. A. on November 27, 1933 are as follows:

#### 1. ROAD WORK

(a) Eleven thousand feet of standard curbing laid and equal number of feet of six foot gravel sidewalks made. This work was done on North Road (at Centre), Main Street, West Chelmsford, Gorham Street, Middlesex Street, and Chelmsford Street.

(b) Pine Hill Road was widened and graveled to 16 feet for approximately  $3\frac{1}{2}$  miles. This area was given a light coat of oil.

(c) Richardson Road was widened and graveled for approximately one mile.

(d) Davis Road was widened and graveled for  $\frac{3}{4}$  mile.

(e) Riverneck Road was widened and graveled to a depth of two feet for  $\frac{1}{4}$  mile through a swamp.

(f) Proctor Road was widened and graveled at various places.

(g) Middlesex Street was graveled a distance of  $\frac{1}{2}$  mile and the old street car rails were removed.

#### 2. DRAINAGE

(a) School Street, West Chelmsford was drained for a distance of 1200 feet with 12" cement tile.

(b) Pine Hill Road was provided with drainage at several locations.

(c) Stedman Street at Chelmsford Street intersection was widened and a 48" steel culvert pipe placed to carry the brook water into the old culvert under Chelmsford Street.

(d) Middlesex Street was drained a distance of 400 feet. Catch basins were built where necessary on all of this work.

#### 3. PARKS AND PLAYGROUNDS

(a) The High School Athletic Field was enlarged for baseball and football use with 65,000 square feet of area added to its usefulness. It was necessary to move 3,000 cubic yards of earth, and replace 1,000 yards of loam. The new area was graded level and seeded. A car parking area was graded at the north side of the field.

(b) The North Common was graded.

(c) The Varney Playground was enlarged so that a regulation diamond can be laid out there. This work necessitated the removal of 11,000 cubic yards of earth which was used to fill low portions of the playground property. Two tennis courts were subgraded.

#### 4. PUBLIC BUILDINGS

(a) Town Infirmary—Many decayed sections of these buildings were removed and rebuilt. A new milk room was constructed, as well as a new floor and ceiling in the kitchen, and a dormer window built in the attic. The entire outside of the house and several rooms were painted two coats.

(b) Centre Town Hall—The Town Treasurer's office was enlarged. The entire roof was resingled and the entire building was painted two coats inside and outside.

(c) North Town Hall—New partitions were constructed in the American Legion quarters and police office. Partitions in all toilets were rebuilt and new plumbing installed. The upper hall walls were panelled. The entire inside of the building was given two coats of paint. At the present time the entire outside is being painted, and a new vestibule is being built.

(d) Town Garage and Tool Sheds—The old garage was torn down and a larger one built. The tool shed was enlarged and an office was built for the Superintendent of Highways. All of these buildings were painted two coats on the outside.

(e) Schools—The following schools received new partitions and two coats of paint inside: High, McFarlin, New Princeton, Old Princeton, Highland Avenue, Quessy, and East Chelmsford. The Westlands School grounds were regraded, loamed and seeded. Total area one and eight-tenths acres. A tennis court was constructed on these grounds.

(f) Fire Houses—The West Chelmsford building was painted inside and outside. The roof was resingled and various inside carpenter work was done. The East Chelmsford building roof was repapered. The Centre building received repairs to walls and inside paint.

#### 5. WATER HOLES

Four water holes for fire protection were constructed at the following locations: Acton Road, South Chelmsford, Alcorn farm on Hunt Road, Lupien farm on Westford Road, and at Bilson's Corner, Main Street, West Chelmsford. These holes are 12 feet in diameter and 10 to 12 feet deep giving a water storage of from 8,000 to 10,000 gallons, and were constructed of field stone walls 18" to 24" thick with a 4" concrete top supported by heavy steel rails. The opening for the engine hose is 24" square and has a hinged steel cover plate. Suitable approaches were built for the convenience of fire engines.

#### 6. CEMETERIES

New gates have been erected or will be erected in all of the Town owned cemeteries to a total of nine gates: they were made of the best grade of wood and are supported by cut granite masonry columns.

(a) Pine Ridge Cemetery—Seventy-five feet of cut granite masonry

walls have been constructed on each side of the gate, 600 feet of old driveway has been resurfaced, and 600 feet of new driveway is now under construction. The entrance section of the grounds has been cleared of all underbrush, the surface has been spaded up and smoothed ready for seeding. All trees were properly trimmed. At present four acres of grounds along Riverneck Road are being cleared.

(b) Riverside Cemetery—Two new gateways have been constructed, all the old wall along Middlesex Street has been straightened and repointed. A new granite masonry wall has been built along Middlesex Street for 100 feet to close in the property at the east end of the cemetery. This section has been cleared of brush and a low portion filled and loamed. A new wire fence has been built along the railroad bound.

(c) Fairview Cemetery—Approximately two acres of grounds are being cleared and spaded, the entire frontage of 600 feet is being walled in, and three gates erected.

#### 7. OLD NORTH ROAD GRAMMAR SCHOOL FOUNDATION

These unsightly walls are being torn down. The front of the lot will be cleaned up and a lattice fence built part way back to hide the existing hole.

#### 8. APPLE PEST CONTROL

Two crews of men are now cutting down pest bearing trees in various parts of the Town.

#### 9. MOTH EXTERMINATION

A crew of men are now destroying gypsy moth nests in the infested woods along the south and west sections of Town.

#### 10. GARMENT MAKING

Twenty-one women are making wearing apparel, bed clothing, etc. This project started last July and is expected to continue indefinitely. The cloth is supplied by the Federal Government, miscellaneous findings such as thread and buttons are purchased from Town funds.

#### 11. POLICE DRIVE AND PARKING SPACE, NORTH TOWN HALL

Constructed a 10 foot wide drive along north side of property, and a police car parking space near police office. Constructed sidewalks from police car parking space to police office door.

#### 12. BANK WALL, TOWN INFIRMARY

Rebuilt this wall which had partly fallen down (Billerica Street).

#### 13. PLAYGROUND INSTRUCTION

Two instructors were supplied out of Government funds to teach organized play at Varney Playground.

#### 14. ORCHESTRA

An orchestra of 10 pieces was organized and paid for from C. W. A. Government funds for several months last spring.

#### 15. SNOW REMOVAL

After the snow storm of January 23rd all of the men on the E. R. A. were turned over to the Superintendent of Highways for snow removal. The Government authorized the payment of these men out of E. R. A. funds, saving the Town \$1,208.40.

#### COST OF PROJECTS

Amount Paid Out of Federal Funds from November 27, 1933 to February 15, 1935:

For Wages .....	\$100,282.12
For Materials .....	4,708.39
Total .....	<u>\$104,990.51</u>

Amount Appropriated by the Town of Chelmsford During 1934 for Materials, Truck Hire, Etc., or 9.09% of Total Expenditures .....

Expenditures .....	<u>\$ 10,500 00</u>
Total Expenditure .....	<u>\$115,490.51</u>

#### FAMILIES AND PERSONS BENEFITTED

At the present time, February 1, 1935, there is a total of 154 persons on the E. R. A. payrolls consisting of 133 men and 21 women. For the past year the number has varied from 82 to 200 according to the Federal money allotted to Chelmsford each month.

Since the beginning of the C. W. A. in November, 1933, up to the present, 286 families have been benefitted by work relief wages, and the total number of persons in these families totals 1671. Forty-two families were taken directly from the Town Welfare rolls and put to work on the E. R. A. The wages earned have been at the average rate of \$12.00 a week per family, and in addition the larger families have been aided through the distribution to them of large quantities of clothing and surplus food commodities received from Federal sources. The following food products have been received to date, and most of it has been distributed: 8,500 pounds potatoes, 150 pounds cheese, 1,776 pounds rice, 2,600 pounds veal, 1,368 pounds canned roast beef, 576 pounds canned hamburg, 27 barrels cabbage, 120 pounds butter and 300 pounds sugar.

#### FUTURE PROJECTS

The citizens of South Chelmsford have formed a water district, and when they receive their charter and have become incorporated as such, a project will be submitted to the E. R. A. project department, and the labor will be paid for through E. R. A. funds, and the people within the district will pay for all material, trucking, etc.

The Centre water district is contemplating extending their water mains up the North Road, and also in roads leading off the North Road, and we expect that work will also be done under the E. R. A., and financed as above mentioned. The North Chelmsford water district is also planning to extend their mains up the Groton Road, Main Street to West Chelmsford, and other roads, and we expect this work also can be done under the E. R. A.

The above projects will be big undertakings, and being done in the above manner will save the Town districts several thousands of dollars besides furnishing water and fire protection in the above named sections of the Town.

I wish at this time to publicly thank the Board of Selectmen and all other town officers who were called upon many times to do extra work that the E. R. A. organization might function smoothly.

Respectfully submitted,

FRANK J. LUPIEN,

Local Administrator E. R. A.

# Warrant for Annual Town Meeting

March 4th and 11th, 1935

## COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To John Buchanan, Constable of the Town of Chelmsford.

### GREETING:

In the name of the Commonwealth aforesaid you are hereby requested to notify and warn the legal voters of said Chelmsford to meet in their several Polling Places, viz.:

Precinct 1, Town Hall, Chelmsford Centre.

Precinct 2, Town Hall, North Chelmsford.

Precinct 3, Fire House, West Chelmsford.

Precinct 4, School House, East Chelmsford.

Precinct 5, Liberty Hall, South Chelmsford.

Precinct 6, Golden Cove School, Westlands.

on Monday, the Fourth day of March, 1935, being the first Monday in said month, at 12 o'clock noon, for the following purposes:

To bring in their votes for the following officers:

Moderator for one year.

One Selectman for three years.

One Member of the Board of Public Welfare for three years.

Treasurer and Tax Collector for one year.

One Assessor for three years.

Tree Warden for one year.

One Member of the Board of Health for three years.

One Park Commissioner for three years.

One School Committeeman for three years.

One Cemetery Commissioner for three years.

Two Trustees for Adams Library for three years.

One Sinking Fund Commissioner for three years.

One Constable for one year.

And to vote on the following question, namely :

“Shall the operation of Section one hundred and five B of Chapter one hundred and thirty-one of the General Laws, requiring for the taking of fur-bearing animals the use of traps that kill at once or take such animals alive unharmed, be suspendid within this town?”

All on one ballot.

The polls will be open from 12 o'clock noon to 8 P. M., and to meet in the Town Hall at Chelmsford Centre on the following Monday, the Eleventh day of March, at 10 o'clock in the forenoon, then and there to act upon the following articles, viz. :

ARTICLE 1. To hear reports of Town Officers and Committees ; or act in relation thereto.

ARTICLE 2. To raise and appropriate such sums of money as may be required to defray charges for the current year ; or act in relation thereto.

ARTICLE 3. To see if the Town will authorize the Selectmen to act as its agent in any suit or suits which may arise during the current year ; also in such other matters as may arise requiring in their judgment the action of such agent, and to employ counsel therefor ; or act in relation thereto.

ARTICLE 4. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws ; or act in relation thereto.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$7,000.00, or some other sum, to be used as a reserve fund at the discretion of the Finance Committee, as provided in General Laws, Chapter 40, Section 6 ; or act in relation thereto.

ARTICLE 6. To see if the Town will vote to raise and appropriate the following sums to balance overdrafts :

The sum of \$1,634.61 for the purpose of balancing overdraft in Outside Aid and Old Age Assistance account.

The sum of \$22.14 for the purpose of balancing overdraft in Soldiers' Relief Account.

The sum of \$30.00 for the purpose of balancing overdraft in the Old Westford Road account; or act in relation thereto.

ARTICLE 7. To see if the Town will vote to raise and appropriate a sum sufficient to pay the County of Middlesex, as required by law, the Town's share of the net cost of the care, maintenance, and repair of the Middlesex County Tuberculosis Hospital, as assessed in accordance with the provisions of Chapter 111 of the General Laws and amendments thereof; or act in relation thereto.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$52.50, or some other sum, with which to defray the cost of hospitalization; or act in relation thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$750.00, or some other sum, for the purpose of purchasing an automobile for use of the Police Department; or act in relation thereto.

ARTICLE 10. To see if the Town will vote to accept Cart Road as laid out by the Selectmen as shown by their report and plan duly filed in the office of the Town Clerk; or act in relation thereto.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$4,000.00, or some other sum, for the purpose of reconstructing Middlesex Street, a similar sum to be contributed by the Commonwealth and Middlesex County respectively; or act in relation thereto.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$4,000.00, or some other sum, for the purpose of reconstructing the North Road; a similar sum to be contributed by the Commonwealth and County of Middlesex; or act in relation thereto.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$800.00, or some other sum, for the purpose of purchasing a certain parcel of land containing a gravel bank thereon, from Clarence Nickles; or act in relation thereto.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$114.00, or some other sum, with which to pay the executor of the will of Mary Supple, salary due the deceased; or act in relation thereto.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$7,500.00, or some other sum, for the pur-

pose of purchasing tools, material and equipment to continue the Emergency Relief Administration projects, or other federal and state projects; or act in relation thereto.

ARTICLE 16. To see if the Town will vote to request the Department of Public Works of the Commonwealth of Massachusetts to submit to the Secretary of Agriculture a project for the improvement of Billerica Street from the Billerica line to Riverneck Road for the construction with funds appropriated to the Commonwealth under Section 204 of the National Industrial Recovery Act, and will agree with the said Department that if such project is approved and constructed by the Department and the Secretary of Agriculture, if the Town will thereafter, at its own cost and expense, maintain the project in a manner satisfactory to said Department and Secretary of Agriculture, or their authorized representatives, and will make ample provision each year for such maintenance, and will authorize the Board of Selectmen to sign such a request and agreement in behalf of the Town, or take any other action relating thereto.

ARTICLE 17. To see if the Town will grant and convey to the County of Middlesex a certain parcel of land owned by the Town and used for cemetery purposes. Said parcel of land to be conveyed to said county in order that Billerica Road may be reconstructed and widened; or act in relation thereto.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$500, or some other sum, for hydrant service to be paid to the South Chelmsford Water District, if and when said District is duly organized by law and has completed the installation of the water system; or act in relation thereto.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$8,000.00, or whatever sum, for the purchase of a 500-gallon Pumper, together with equipment and 1,000 feet of hose (2½") for the Fire Department; or act in relation thereto.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$552.00, or some other sum, for the purpose of defraying the cost of claims made by owners of land adjacent to the North Road; or act in relation thereto.

- ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$3,500.00, or some other sum, for the purpose of purchasing equipment suitable for snow removal; or act in relation thereto.
- ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$300.00, or some other sum, for the purpose of complying with Chapter 320 of the Acts of 1934; or act in relation thereto.
- ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$200.00, or some other sum, for the purpose of purchasing new seats to be used in Centre Town Hall; or act in relation thereto.
- ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$850.00, or some other sum, for the purpose of purchasing a power sprayer for the use of the Moth Department; or act in relation thereto.
- ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$1,500.00, or some other sum, for the purpose of repairing highways in East Chelmsford; or act in relation thereto.
- ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$75.00, or some other sum, to reimburse W. H. Bartlett for the expense of operating a truck from December 1, 1933, to April 12, 1934, on the moth project under the C. W. A and E. R. A.; or act in relation thereto.
- ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$778.00, or some other sum, for the purpose of purchasing an automobile truck for the Forest Fire Department; or act in relation thereto.
- ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$300.00, or some other sum, for the purpose of defraying the cost of leasing quarters for Post 212, American Legion, located in the station of the N. Y. N. H. & H. R. R.; or act in relation thereto.
- ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$300.00, or some other sum, for the purpose of caring for the Varney Playground; or act in relation thereto.

### **ADDENDA**

ARTICLE 34. To see if the Town will vote to accept Sherman Street as laid out by the selectmen as shown by their report and plan duly filed in the office of the Town Clerk. The reconstruction of this street to be accomplished as an E. R. A. project or act in relation thereto.

ARTICLE 35. To see if the Town will vote to accept Albina Street as laid out by the selectmen as shown by their report and plan duly filed in the office of the Town Clerk. The reconstruction of this street to be accomplished as an E. R. A. project or act in relation thereto.

ARTICLE 30. To see if the Town will vote to authorize the Board of Selectmen to make and execute in behalf of the Town an agreement with the Boston & Maine Railroad with reference to land adjacent to Riverside Cemetery; or act in relation thereto.

ARTICLE 31. To see if the Town will vote to authorize the Assessors to use a certain amount of free cash to be applied in computing the 1935 tax rate, with the permission of the State Tax Commissioner; or act in relation thereto.

ARTICLE 32. To see if the Town will vote to authorize the Selectmen to appoint from each precinct of the Town three persons to serve as a committee to make plans and recommendations as to the advisability of creating zoning ordinances, and to report at some future Town Meeting; or act in relation thereto.

ARTICLE 33. To see if the Town will vote to raise and appropriate a sufficient sum with which to meet unpaid bills of 1934; or act in relation thereto.

AND YOU ARE DIRECTED to serve this Warrant, by posting attested copies thereof at the Post Offices in the Centre of the Town, South Chelmsford, North Chelmsford and West Chelmsford, and at the School House, East Chelmsford, and the Golden Cove School House, Westlands, seven days at least before the time appointed for holding the first meeting aforesaid.

HEREOF FAIL NOT, and make return of this Warrant, with your doings thereon, to the Town Clerk at the time and place of holding this meeting aforesaid.

Given under our hands this twelfth day of February in the year of our Lord nineteen hundred and thirty-five.

JAMES A. GRANT,  
FRANK J. LUPIEN,  
STEWART MACKAY,

Selectmen of Chelmsford.

## ANNUAL REPORT FINANCE COMMITTEE

Town of Chelmsford, March 11, 1935

To the Voters of the Town of Chelmsford:

The Finance Committee submits herewith its recommendations for the year 1935.

We face during the coming year several unusual expenses. The severe snow storm in January cost approximately \$8,000. We must make appropriations for the continuance of E. R. A. work. A new fire truck should be purchased at a cost of \$8,000. To add to these amounts, we must raise in this year's tax levy the amounts appropriated at the special town meeting held December 4, 1934, after the tax rate was established.

We call attention to the following letter from the Commissioner of Corporation and Taxation, which is of importance to every voter and which makes necessary an unusual appropriation under Article 5.

“January 7, 1935.

“To the Board of Selectmen. To the Town  
Finance or Appropriation Committee.

“In 1935 the local tax bills must be in the hands of the taxpayers on or before June 14, 1935. One-half of the tax is due on July 1st and the remaining half is due on November first. The Assessors will be required to determine the tax rate some time in April in order to allow the necessary time for commitment of taxes and to permit the collector to prepare the tax bills for transmission to the taxpayers that they may have the bills before them on or before June 14, 1935.

“The early requirement for the payment of the 1935 local tax necessitates each appropriating body determining with accuracy early in the year the amount that will be required in order to pay for the full twelve months' period running in 1935 with the calendar year. After the 1935 tax rate is set it will be impossible to raise additional revenue, and because of this there will be an inability on the part of municipalities to spend money in the absence of available funds. In respect to most cities and towns there will be no available funds after the 1935 tax rate has been set in April by the Assessors.

“The thought back of this communication is to encourage full appropriation activities in the months of January, February, March and April to an amount sufficient to provide for the entire calendar year of 1935, which will mark the fiscal year of every city and town in Massachusetts. Towns can set up a Reserve Fund from which transfers can be made to meet extraordinary or unforeseen expenses.

“In order that every community be sufficiently apprised of this new requirement and to impress upon them the necessity of accurately forecasting appropriation needs for the entire twelve months some time during the first four months of the year, I am prompted to write this letter and distribute copies of it rather freely to all whom I think should be aware of the 1935 requirements.

“The practice which has prevailed in some communities to purposely make the first appropriation less than is required and then to add subse-

quently through special meetings must be abandoned, because after the tax rate is set there can be no appropriations which can be included in it, and if there are no funds available, the city or town is likely to face serious discomfiture.

"The responsibility of the financial bodies in the cities and towns in 1935 is perhaps greater than ever before in the requirement of a very careful and complete survey of departmental needs. It is highly desirable that the amount to be taken from the taxpayers as shown in the tax bill received by them on or before June 14, 1935, represents the total amount needed to pay for required activities for the fiscal year ending on December 31, 1935, and that no necessary functions will have to be abandoned because of lack of money not provided through the tax levy.

"If I can be of any assistance to you please let me know.

"Cordially yours,

(Signed) HENRY F. LONG,  
 "Commissioner of Corporations  
 and Taxation."

Our estimate of the tax rate for 1935 is as follows :

Total amount recommended in Warrant.....		\$264,536 00
Estimated amount required for State and County Tax, Interest and Principal Payments, etc.....		40,000 00
Carried forward from 1934.....		9,548 00
		<hr/>
		\$314,084.00
Estimated Receipts, based on year 1934.....	\$ 68,000.00	
Free Cash if allowed by Commissioner.....	20,000.00	
	<hr/>	88,000.00
		<hr/>
Total amount necessary to raise by direct tax- ation .....		\$226,084.00
		<hr/>

Valuation, \$6,689,000.00.

Probable Tax Rate, \$33.80 per 1000.

These figures are based on information available at this time which is necessarily incomplete. The amount raised by taxation in 1934 was \$205,274 60. If the amount of \$20,000 free cash is not allowed to be used, the tax rate will be approximately \$37.00.

Article 2. To raise and appropriate such sums of money as may be required to defray Town charges for the current year.

The Finance Committee recommends that the following sums be raised and appropriated for the purposes of Article 2:

GENERAL GOVERNMENT

Moderator's Salary .....	\$	10.00

Bond: Treas. Ins. Sinking Fund.....	40.00	
Animal Inspector .....	200.00	
Constables .....	80.00	
Town Reports .....	775.00	
		\$ 3,425.00
Total Recommended Under Article 2.....		\$230,472.00

#### Article 5:

In accordance with a letter received from the Commissioner of Corporations and Taxation, the Finance Committee recommended an unusually large amount to cover contingencies in the various departments.

#### Article 6:

The Finance Committee recommends the appropriation of \$1,634.61 and \$22.14 to balance overdrafts in the Outside Aid and Old Age Assistance and Soldiers' Relief Accounts respectively.

#### Article 7:

The Finance Committee recommends the appropriation of \$840.77 for the purposes of this Article.

#### Article 8:

The Finance Committee recommends the sum of \$52.50 for the purposes of this Article.

#### Article 9:

The Finance Committee recommends the purchase of a new car for the use of the Police Department.

#### Articles 11 and 12:

The Finance Committee recommends that because of unusually heavy expenses necessary in other departments that work on Middlesex Street and the North Road be postponed for a year.

#### Article 13:

The Finance Committee recommends the purchase of the gravel bank named at a cost not to exceed \$800.00

Article 14:

The Finance Committee recommends the appropriation of \$114.00 for the purposes of this Article.

Article 15:

The Finance Committee recommends the appropriation of \$7,500.00 for E. R. A. work as provided in this Article.

Article 16:

The Finance Committee recommends that the Selectmen be authorized to sign the request and agreement as provided in this Article.

Article 18:

The Finance Committee recommends the appropriation of \$500.00 for the purposes of this Article, payment to be made after said hydrant service is installed and in operation.

Article 19:

The Finance Committee recommends the appropriation of \$8,000.00 for the purchase and equipment of a Fire Truck, and that the present East Chelmsford equipment be transferred to the custody of the Forest Fire Department.

Article 20:

The Finance Committee recommends the appropriation of \$552.00 for the purposes of this Article.

Article 21:

The Finance Committee recommends the purchase of a truck and snow removal equipment at a cost not to exceed \$3,500.00.

Article 22:

The Finance Committee recommends the appropriation of \$300.00 for the purposes of this Article.

Article 23:

The Finance Committee recommends the appropriation of \$200.00 for the purposes of this Article.

Article 24:

The Finance Committee recommends the purchase of a power sprayer at a cost not to exceed \$850.00.

Article 25:

The Finance Committee recommends the appropriation of \$1,500.00 for the purposes of this Article.

Article 26:

The Finance Committee are informed that this bill was not contracted by the Town and therefore cannot recommend its payment.

Article 27:

In the event of the appropriation of \$8,000.00 for the purchase of a new fire truck under Article 19, and the transfer of the East Chelmsford truck to the Forest Fire Department, this Article will be unnecessary. If Article 19 is not favorably acted upon, a new truck is urgently needed for forest fire work, and the sum named herein should be appropriated.

Article 28:

The Finance Committee recommends that the sum of \$200.00 be appropriated for the purposes of this Article.

Article 29:

The Finance Committee recommends the appropriation of \$300.00 for the purposes of this Article.

Article 33:

The Finance Committee recommends that a sufficient amount be raised and appropriated to pay all unpaid bills, and that each department explain over-runs of its appropriations at Town Meeting.

WINSLOW P. GEORGE .....	Westlands
RALPH G. HULSLANDER .....	North Chelmsford

## SCHOOL CALENDAR

The school year is divided into a fall term ending at the Christmas vacation, and three terms after the holidays.

Fall term from September 5, 1934 to December 21, 1934.

Second term from January 2, 1935 to February 15, 1935.

Third term from February 25, 1935 to April 2, 1935.

Fourth term from April 22, 1935 to June 21, 1935.

The school year of 1935-1936 will open on Wednesday, September 4, 1935.

## NO. SCHOOL SIGNAL

In case of extremely bad storms or of roads dangerous because of ice, a signal for no school is given on the fire alarms at the Centre, North, West, South, and East, three blasts, repeated three times. When given at 7.15 there are no sessions for the day. The signal at 11.15 indicates no afternoon session for the grades.

## TEACHERS

The table shows the teachers at the beginning of the school year 1934-35, the position held, the date when service in Chelmsford began, and the institutions in which they prepared.

## HIGH SCHOOL

Lucien H. Burns, A. M., Principal, Sept. 1930, University of New Hampshire, Columbia.

C. Edith McCarthy, Vice-Principal, Commercial, Sept. 1923, Salem Normal.

F. Christine Booth, B. A., Latin, Math., Sept. 1927, Colby.

\*Hilda B. Dunigan, B. S. E., Commercial, Sept. 1928, Salem Normal.

Mary H. Ryan, IV-VI, Sept. 1930, Lowell Normal.  
Hazel R. Young, I-111, Sept. 1930, Lowell Normal.

#### SOUTH ROW

Gladys Harrington, I-II-III-IV, Sept. 1931, Lowell Normal.

#### WESTLANDS

H. Jean Rafuse, Principal, VII-VIII, Sept. 1920, Martin's Point, N. S.,  
High School.  
Vera G. Rafuse, V-VI, Sept. 1921, Truro Normal.  
(Mrs.) Charlotte K. Duffy, III-IV, Sept. 1932, Lowell Normal.  
(Mrs.) Marion S. Adams, I-II, Jan. 1928, Lowell Normal.

#### SUPERVISOR

Charlotte L. Hyde, Music, Oct. 1927, Lowell Normal.

#### TRANSPORTATION

George W. Marinel, North Chelmsford.

#### JANITORS

High School, C. O. Robbins, Chelmsford Centre.  
McFarlin, Otis Brown, South Chelmsford.  
East, Bernard McLaughlin, East Chelmsford.  
Highland Avenue, Edward Fallon, North Chelmsford.  
Princeton Street, Patrick Cassidy, North Chelmsford.  
Quessy, John Boutillier, West Chelmsford.  
South, George Burton, South Chelmsford.  
South Row, Mrs. Hildur Smith, Chelmsford Centre.  
Westlands, E. Berg, Westlands.

## REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Chelmsford:

We herewith submit the report of your School Committee for the year 1934.

It is necessary to reiterate that the number of pupils in the High school is larger than the building can accommodate. This condition first developed several years ago, and the number of High school pupils has been steadily increasing since that time. The High school building, constructed in 1916-1917, was designed to accommodate 225 pupils. In 1917, the enrollment was 161; in 1922 it was 184; in 1927 it was 224, in 1932 it was 376. At the opening of school in September, 1934 the enrollment was 407. The number of students is so large that makeshift arrangements have been necessary in order to find space for more students than the building can adequately house. This condition is harmful to the students, to their teachers and to the community at large. In such cramped quarters the students are deprived of the quiet, roomy environment so necessary to concentration and efficient study. The teacher's task of drilling book learning into restive young minds, difficult enough at best, is made more difficult by hampered surroundings. The community ill serves itself under the present conditions, for it is axiomatic that the school children of today are the men and women of tomorrow. Their training now will have a large effect upon their government then. We therefore recommend that an adequate addition be made to the High school.

In our report of 1932 we called to your attention the fact that some of the school buildings are not sufficiently insured against loss or damage by fire. No insurance whatever is carried on the High school or the McFarlin school. The town maintains an insurance fund which is now approximately \$37,600.00 for the purpose of repairing and reconstructing town buildings damaged or destroyed by fire. This fund is not large enough to pay the cost of reconstructing either the High school or the McFarlin school. It is not within the province of this committee to place insurance upon these buildings. We recommend that an adequate amount of insurance against fire loss be placed upon all school buildings.

The contract under which George W. Marinel is now transporting the school children of Chelmsford expires in June, 1935. During the term of this contract, the number of pupils so increased that it was necessary for the contractor to add three new bus trips to the number of trips which were being made at the time the contract was executed. The contractor received no extra compensation for these additional trips. His service has been very good, and we have found him at all times willing to cooperate with our department for the good of the schools.

The work of the Parent-Teacher Associations throughout the town has been most helpful to us. We are grateful for the unselfish efforts of the members of these organizations, and we wish them continued success in their work.

The janitors of the various school buildings have performed their duties in a very satisfactory manner.

We wish to give to the teachers written expression of our appreciation of their work. The rank and file of our teachers give a full and satisfactory performance of their duties. Always conscious of their high moral responsibility they give to their teaching the zealous ardor which it demands. We commend them for their spirit of cooperation and loyalty, and for the patience, kindness, and sympathetic understanding which characterize their work.

#### IN MEMORIAM

Within seven weeks in the fall of 1934, the town of Chelmsford lost two of its ablest, most loyal and best loved teachers. Hilda Beatrice Dunigan passed away on the 11th day of August, 1934. Dorothy Frances Gay was taken from us on September 29, 1934. These two esteemed young ladies were the finest examples of American womanhood, and an inspiration to everyone who knew them. Extremely capable teachers, they worked untiringly for their students, their friends and the organizations of which they were members. They were daughters to be proud of.

On each sad occasion, this committee drew and adopted a memorial. It is fitting that these memorials be made a part of this report.

#### HILDA B. DUNIGAN—A MEMORIAL

Hilda B. Dunigan was born in North Chelmsford on the 29th day of May, 1906, the daughter of James P. and Rose E. (Smith) Dunigan. Her primary and grammar school training was had at the Highland Avenue School very near to her father's home. She then attended Chelmsford High School where she accumulated many honors particularly in the commercial subjects, her chosen line of study. In September, 1924, after completing a one year post-graduate course at Chelmsford High School, she entered Salem Teacher's College. She studied for four years at that college, commuting daily from her home in Chelmsford. For her excellence in scholarship she received many honors from Salem Teachers' College and was graduated from there in June of 1928 with the degree of Bachelor of Science in Education.

In September 1928 Miss Dunigan was elected a teacher of commercial subjects in the Chelmsford High School. From the time of assuming her duties in our High School, she knew she had the illness which finally caused her death, but she went about gallantly, doing her work well, holding her head high and happily smiling—so that no one would suspect. For six full years she taught commercial subjects in Chelmsford High School. In the vineyard of young minds committed to her charge she worked patiently, gently, and cheerfully, moulding happy and successful lives. She encouraged the children to give their

best and they gave it. Her way was the effective way. It may have been because she believed in the children—believed them to be capable; believed them to be good—and they fulfilled the faith she had in them. She was admired, respected, and loved by all the students in the school. When they heard of her untimely death they went, alone and in groups, to pay their last respects to their teacher. The capable students, the efficient students, the passing students, and too, the blundering ones who in youthful energy often trespassed on the rules—she had understood them all; with downcast eyes and heavy hearts they stood beside her coffin and silently shed a tear, paying a tribute that no memorial could ever equal.

In her desire to serve, to benefit, and to inspire the children in our school she never tired. Her disposition was contagious. It animated the whole school. The passing of her gentle personality will tint the school with blue for many a day to come.

Not our department alone, but the whole town of Chelmsford will deeply feel her loss, for she gave generously and graciously of her time and talents in all community endeavors. She was an active member of many village organizations and worked tirelessly and unselfishly for the public good even to the last week of her useful life. She possessed in abundance those qualities which mark men and women of excellence and worth in the community. By her industry, honor, frankness, truth, kindness, and her spirit of helpfulness she has placed her name upon life's roll of honor.

Her work is done, but it will not be unremembered. Its results are dedicated to Time, and Time will see what she could not stay to see—the ripening and unfolding of her ideals in the many minds sometime within her charge. Thus is she numbered one “of those immortal dead who live again in minds made better by their presence.”

In tribute to the memory of Hilda B. Dunigan and in testimony of our deep and heartfelt sorrow upon her passing, it is hereby RESOLVED:

1. That in the death of Hilda B. Dunigan we have lost a learned teacher who, inspired by noble ideals, was loyal and devoted to the public good.

2. That for ourselves and for the people of Chelmsford we extend our deepest sympathy to the family of Miss Dunigan, and send to them a copy of these proceedings in the hope that our poor words may bring them some slight measure of condolence in their loss.

3. That these proceedings be made a part of the permanent records of this committee.

#### DOROTHY FRANCES GAY—A MEMORIAL

Dorothy Frances Gay was the daughter of Mr. and Mrs. Fred W. Gay of Billerica Road, Chelmsford, formerly of Methuen, Mass. It was in the latter town that Miss Gay received her early scholastic training, graduating from Methuen High School in June, 1928. She continued her education at Wheaton College, and after a brilliant academic and extra-curricular career, received the degree of Bachelor of Arts in 1932. A vacancy occurring in the French department of Chelmsford High School,

Miss Gay was chosen from a host of applicants as the person best qualified for the position. She started her work as head of the French department in September, 1932, and continued as the capable head of that department until the day of her untimely death. In addition to her class work, she assumed control of the French Club, and later of girls' basketball.

It may be truly said of Miss Gay that she won the hearts of all with whom she came in contact, not only by the determination with which she overcame the many obstacles which beset a new teacher, but also by her sense of the true value of things, which gave her insight and understanding. Hers was the restless soul that is never satisfied with mediocrity, and she constantly strove for greater perfection of both mind and body. This was evident in both her teaching, and her private life, as she read constantly and well those books that would be of value to her, and sought to practice the lore thus gained. Hers was a well balanced program entirely in keeping with the intellect that fostered it.

We feel keenly the loss of Miss Gay, not merely because of her proven ability as an instructor, but because of the splendid example she was to each and every girl student who came in contact with her as teacher, coach, and always as their friend. Their successes were her joy, and the proudest moment of her life came when her team won the Suburban League championship last year. Mentally alert and physically active to the last, she was the type of American girl that every parent desires his daughter to become. She lived her short life to the full and left nothing undone that could have been completed, an epitaph that few can claim.

We cannot forget Miss Gay in the days to come, for her personality is impressed upon our memories indelibly. We shall have with us always a picture of that youth, gayety, and ability that will remain untarnished by any of the misfortunes which the world too often bestows. The children of Chelmsford have lost an efficient teacher, an outstanding example of American womanhood, and most of all a true and dear friend, but the memory of her life remains as an inspiration that shall continue long after the walls of Chelmsford High School have crumbled to dust. It is impossible for us to express ourselves to her family in this, their hour of loss, but the poet offers consolation as he says:

"Death came unheralded;—but it was well;  
For so thy Saviour bore  
Kind witness, thou was meet at once to dwell  
On His eternal shore; All warning spared,  
For none He gives where hearts are for prompt  
change prepared."

In testimony of our respect for Dorothy Frances Gay and in reverence to her memory, it is hereby RESOLVED:

1. That in the untimely passing of this lovely girl, Dorothy Frances

Gay, we have lost an excellent teacher who was an inspiration to all her students.

2. That for ourselves and for the people of Chelmsford we extend our deepest sympathy to the family of Miss Gay, and send to them as a token of our sorrow a copy of these proceedings.

3. That these proceedings be made a part of the permanent records of this committee.

The reports of the Superintendent of Schools, the Principal of the High School and the heads of the various departments are hereto appended. We urge you to read carefully these reports as they are enlightening from a financial as well as from an educational viewpoint.

Respectfully submitted.

JOHN A. McADAMS,  
RALPH A. BERG,  
JAMES P. CASSIDY,

School Committee.

## REPORT OF SUPERINTENDENT

To the School Committee:

This, my seventh report to you and to the people of Chelmsford, the 61st in the series, deals particularly with school costs, as did the report of 1930. The earlier one was written at the beginning of the period of business depression, before towns and cities began cutting school budgets. The cost of the Chelmsford schools that year was \$103,296.87; the average number of pupils was 1,382; making the cost per pupil \$74.74. In 1934 the cost was \$98,022.61; the average membership 1,624; making the cost per pupil \$60.36. The above figures include the cost of the regular day schools only; the cost of the evening school of 1930 and the tuition paid Lowell Vocational School are not included.

The comparisons given below are based on the report of the Department of Education for the year ending June 30, 1934. Costs in Chelmsford are for the town fiscal year ending December 31st. Comparison is made with the 83 towns of Group II, towns of over 5000 population; with a list of twenty selected towns, ten larger and ten smaller than Chelmsford; and with the entire state. The most valid comparison is doubtless with the twenty towns, which are in order of size: Middleborough, Hudson, Stoughton, Whitman, Rockland, Ware, Maynard, Agawam, Grafton, Franklin, North Andover, Millbury, Dracut, Shrewsbury, South Hadley, Randolph, Westborough, Mansfield, Uxbridge, and Billerica. The population of these towns ranges from 5880 to 8608, the valuation (April 1, 1933) from \$4,018,360 to \$9,500,688, and the valuation per pupil from \$2,767 to \$6.340. Chelmsford had a population of 7022, a valuation of \$6,683,620, and a valuation per pupil of \$4.284. Certain towns which are near Chelmsford in population, such as Concord, Barnstable, and Hingham, are omitted from the selected list on account of their much greater wealth. The costs are figured on a unit basis, the cost per pupil in average membership. Obviously the greater the number of pupils the greater will be the gross costs. The unit basis is the only fair method of comparison.

### ADMINISTRATION.

The largest item in the overhead cost of running the schools was the salary of the superintendent, \$3,250. Other costs were: Expenses of School Committee, \$350; travelling expense to the annual conference of school superintendents, \$8.00; attendance officers, \$30; stationery and postage, \$71.20; telephone, \$91.55; making the total for administration \$3,800.75. Dividing this by the average membership, 1624, the cost of administration per pupil was \$2.46. For the school year ending June 30, 1934, the cost for the 83 towns in Group II was \$2.90; in the 20 selected towns, \$2.88; and in the state, \$3.30.

### INSTRUCTION.

Under this heading is found the largest single item in school costs, the salaries of teachers. It is the expenditure to which all others are subsidiary. Unless the returns from the investment in salaries are of high

quany the school system cannot be a good one. I urge careful consideration to the comparisons given below, which show the cost of instruction in Chelmsford and other towns.

	High School	Elementary Schools.	Total
Salaries .....	\$18,470.80	\$42,677.41	\$61,148.21
Books .....	705.41	825.79	1,531.20
Supplies .....	1,081.33	962.29	2,043.62
Total .....	\$20,257.54	\$44,465.49	\$64,723.03

The sum paid teachers is a large one, but so is the number of children cared for. Dividing the amounts in the first column by 374, the average membership of the High School, in the second by 1250, and in the third by 1624, the unit costs for instruction are seen to be;

	High School	Elementary Schools	All Schools
Salaries .....	\$49.39	\$34.14	\$37.65
Books .....	1.89	.66	.98
Supplies .....	2.89	.77	1.26
Total .....	\$54.17	\$35.57	\$39.85

When analyzed to show unit costs the wonder is that so much can be done for so little. At an average cost of less than \$40, a pupil was given instruction for 176 days; his books cost less than a dollar; and his supplies, such as paper, pencils, notebooks, laboratory equipment, typewriters, maps, etc., cost \$1.26. It should be said that the expenditure for books in 1934 would not be adequate to keep these essential aids to good schools in serviceable condition year after year. The policy is followed of having books which cost 75c. or more rebound before they are too badly worn out. From \$50 to \$100 is spent in this way each year, at a cost of 30c. or 35c. a book. School books are very strongly bound. Their prices generally did not go down during the depression nor have they advanced. School paper went down to a pre-war level, and under the code prices are now sharply advanced. Six additional typewriters were bought for the High School, and their cost, \$360, is included in supplies for 1934. The table below compares the unit costs in Chelmsford with other towns:

	Chelmsford	Group II	Twenty Towns	The State
Salaries .....	\$37.65	\$56.34	\$43.56	\$63.06
Books .....	.98	1.37	1.25	1.11
Supplies .....	1.26	2.45	2.01	2.29

Put in another way, the expenditure for salaries for each pupil in school in Chelmsford was \$5.91 less than in the twenty selected towns, \$18.69 less than in the towns of Group II, and \$25.41 less than in the entire state. To make the comparison entirely complete it should be stated that Chelmsford is not paying the lowest salaries per pupil in school. Of the twenty selected towns there is one which pays less.

In connection with this discussion of salaries I would call attention to the fact that two separate reductions have been made. In the spring of 1931 the salaries at which teachers begin were reduced by \$50 for elementary

positions and by \$100 for High, and the maximum salaries for all positions were reduced by \$100 for all teachers who were not already receiving more than the new maximum. Only a few teachers were affected at first, but as changes have occurred the number has increased till now there are no less than 27 out of the 49 teachers who are receiving either \$50 or \$100 less as a result of the downward revision of the salary schedule in 1931.

A second was made by the teachers themselves when from September, 1932, to February 1, 1933, they (with two exceptions) returned to the town treasury five per cent. of their monthly salaries, and the Superintendent ten per cent. At the annual town meeting of 1933 the appropriation for the School Department was cut to such an extent that the Committee was forced to reduce the salaries of teachers, the nurse, and physicians five per cent., the principal of the High School ten per cent., and the Superintendent about 14½ per cent. This reduction is still in force. The teachers have requested that this last cut be restored.

During the last four years many towns and cities have reduced the amount of the teachers' payroll by abolishing or suspending positions, by enlarging classes so as to avoid engaging new teachers, by accepting contributions from teachers or requiring teachers to make them, and by actually cutting salaries. The contributions, voluntary and otherwise, and the cuts range from 5% to 20% of the salaries formerly paid. If contributions are received the salaries remain the same on paper, and for the purpose of determining the amount of pension due a teacher about to retire, but the salary actually received is reduced as when a direct cut is applied. Chelmsford has economized in all these ways: positions have been abolished, physical director and building assistants; classes have been enlarged till the rooms literally can hold no more pupils; contributions have been made; and since February, 1933, a cut of 5% or more has been applied to salaries. In many towns and cities, but not all, cuts have been restored wholly or in part, and other places are planning to take such action at an early date. Also, it should be noted that the salary schedule was low in Chelmsford before any reductions were made. In many places after the cuts of 5, 10, or 15% were applied the teachers were still receiving more than the Chelmsford teachers received before the last cut was made. Is not the request that salaries be restored to the 1932 basis a reasonable one?

During 1934 five changes occurred in the teaching corps. Miss Libby and Miss Grant resigned because of marriage, and Miss Mary McEnaney to accept a position in Lowell. The community was saddened in August by the death of Miss Dunigan, and again in September by the death of Miss Gav. Two extremely efficient and very popular teachers were lost to the High School by these untimely deaths.

For the positions in the elementary schools Miss Josephine M. Quigley and Miss Clara Dexter, graduates in 1934 of the four-year course in Lowell Teachers' College, were engaged. The history position in the High School was filled by transferring Mr. MacLaughlan to that department, and Mr. Warren C. Dean, a graduate of Boston University, was chosen for the English position. For the commercial position Miss Ernestine Maynard, a grad-

uate of Salem Teachers' College, was engaged, and for the French position Mr. Earl J. Watt, a graduate of Harvard with two additional years of graduate work. All the new teachers are doing excellent work.

## OPERATION AND MAINTENANCE.

Under this heading is included all the expense of keeping the ten school buildings clean, heated, and in repair, of water, power, and lights, of brooms, brushes, toilet room supplies, etc. Many towns with as large a school population as Chelmsford house all their pupils in three or four buildings. They are able to maintain their school plants at less cost than is possible with ten buildings.

Janitor service cost \$8,375—\$2,040 for the High School and \$6,375 for the grades. Supplies amounted to \$243.51. The janitors, in addition to giving the buildings a thorough cleaning in the summer, varnish seats, desks, and woodwork, oil the floors, and do some painting. Supplies for these purposes cost about \$325. The school buildings are kept in good condition generally. Visitors frequently comment favorably on their appearance.

The heating of the buildings was more than usually expensive in 1934. Coal was purchased in 1933 at \$5.61 for 350 tons of soft coal and \$8.30 for 75 tons of buckwheat for the High School. The bins were filled to capacity in the summer of 1933, and the balance due put in during the winter. Formerly this quantity had proved sufficient for a season, or nearly so. But beginning in February, due to the prolonged cold weather, additional soft coal had to be purchased for all buildings except the High School, East, and South. More than 75 tons were put in, first at a price of \$6.61 a ton and after March 1st at \$7.50, and little was left in June. When bids were asked in the spring of 1934 the operation of the N. R. A. code resulted in identical prices being quoted, \$7.50 for soft coal and \$10.00 for buckwheat, to apply only to the amount delivered immediately. Because of the 75 tons already bought and used the appropriation would not permit filling the bins to capacity. More coal will be required in some buildings soon, and will cost the prevailing code price.

Lighting the buildings cost \$659.68—\$162.21 for the High School and \$497.47 for the elementary. Making allowance for the basement in the McFarlin School, used considerably in the evening throughout the year, the cost of lighting is about \$12.00 a class room, and is very uniform in the different buildings. Electric current is used for ventilating toilets, and for pumps in the buildings not otherwise provided with water. The High School power bill was \$447.04, and the McFarlin \$92.28. The heating and ventilating systems in these buildings are dependent on electric power.

Water cost a total of \$476.81—\$72.90 for the High School and \$403.91 for elementary. Here there is a wide variation in the costs in the different buildings. Highland Ave. is lowest, \$13.05. No lunches are served in this building, no children are in the building at the noon hour, and the building is not used in the evening. Bottled water was used at South Row at a cost of \$25.20 for 15 pupils, and at East Chelmsford until about December 1st, when water was turned on from the new system at a cost of \$221.20 for 165 pupils.

Insurance of a limited nature is carried on eleven boilers at an expense of \$291.12 for a three-year policy. The boilers are inspected twice each year under the terms of the policy. Inspection by the state, which would be compulsory otherwise, would cost about the same without the insurance feature.

Advantage was taken of E. R. A. labor during the first half of the year in projects on the High School athletic field, and in the East Chelmsford, Highland Ave., Quessy, and Princeton St. schools. The first project undertaken was in the High School and was very nearly completed in 1933. All material used, such as lumber, paint, cement, etc., and team hire has been a charge against the appropriation for repairs. These projects developed from month to month during the year, so no estimate could be made a year ago of the sums needed. Indoor work was brought to an end about July 1st. The total amount paid for material was \$902.71, and for team hire \$116. For this expenditure the town has received these benefits: In the High School wall-board ceilings were put on the two rooms in the basement which are used for classrooms, making them much lighter and deadening the sound from the rooms above. At East Chelmsford plaster walls and woodwork were repaired as needed, and the four classrooms, halls, and toilets given two coats of oil paint. The same was done at Highland Ave. At Quessy, in addition to the same work in the four classrooms and halls, the partitions of the boiler room were covered with wallboard to reduce the fire hazard in the building.

At the New Building, Princeton St., the special appropriation of \$1700 for new toilets was supplemented by E. R. A. labor so far as possible. The plumbing contract for moving the toilets, including some new fixtures, was \$1,225.88. In addition, partitions had to be put in, floors laid, and the center of the basement filled in and fitted for use. Magnesite floors cost \$132. The toilets in this building were disgraceful before the change was made: the new ones are light, sanitary, and conveniently located. By using E. R. A. labor so far as possible the cost, including contracts, new fixtures, and all material was kept nearly to the amount of the special appropriation. The total cost, including including improvements made in the basement, was about \$1,800.

The E. R. A. work on the athletic field has given Chelmsford, for both school and community use, an exceptionally fine field. A backstop is needed in order to protect the pupils in the McFarlin School from fouls and foul tips, and a grandstand with dressing rooms, showers, and toilets underneath would be a valuable addition.

One major job of repairing was undertaken. The roof of the High School had been leaking in heavy rains, and minor repairs had been made from time to time. Also, a driving rain had beaten in over the front door. When the worn-out covering was removed the condition of the roof was found to be much worse than was expected. Some timbers had to be replaced, the chimney relaid, and the stone coping on the parapet in the front of the building taken down in order to make repairs underneath. Except for very minor repairs this roof had not been touched for the eighteen years

since the building was erected. The job was thoroughly done at a cost of nearly \$400, and we believe it will stand for another equal period before needing attention.

The below-zero cold waves of last winter caused freeze-ups in all schools except the High School and Westlands. In some buildings the damage was little, but in others plumbing bills ran to considerable sums. Quite generally in the buildings water has to be drawn out of pipes above the basement when the temperature goes to zero, and the janitors have been successful in avoiding trouble; but the very unusual low temperatures of last winter caught boiler return pipes that had been safe before. Measures have been taken to prevent such trouble in the future.

The total cost of operating and maintaining the school plant was \$17,240.45, of which \$4,555.90 was for the High School, and \$12,684.55 for the elementary. Since this was foreseen to be exceeding the appropriation by about \$9.00, the School Committee, at the special meeting of Dec. 7th, asked the town to transfer \$775 from Instruction and \$125 from New Equipment to Operation and Maintenance. The first amount was transferred, but owing to a clerical error in the writing of the warrant action could not be taken on the second request. The Finance Committee, however, made this amount available. A balance was left in the account Instruction due to three things: Several new teachers had been taken on at minimum salaries in place of teachers who were receiving the maximum; one place had been discontinued, building assistant in the McFarlin School; the budget provided for an additional teacher in the High School from September on, but such a teacher was not engaged. Dividing the total cost of operating by 1624, the cost per pupil was \$10.62. In group II it was \$12.26, in the twenty towns \$10.64, and in the state \$12.71.

#### AUXILIARY AGENCIES.

Under this heading is included the cost of transportation, and the salaries and supplies of physicians and nurse. The law requires the appointment of one or more school physicians and one or more nurses. The physicians were paid \$570 and the nurse \$1,567.68. The nurse's supplies cost \$117.30. The same persons are physicians and nurse for the Board of Health. There is considerable misapprehension of the duties of a school doctor and a school nurse. So far as they are working under the authority of the School Department their work is to examine pupils and to report their findings with recommendations. They do not treat nor prescribe. These latter functions are within the province of the family physician. Acting under the authority of the Board of Health they may treat in certain cases, hold clinics, etc. It would be within the terms of the law to engage a dentist to make an inspection of teeth and to report his findings with recommendations, but he could not under authority of the School Department do any dental work. The dental work now being done by the so-called "school dentist" is wholly within the jurisdiction of the Board of Health, or its agent, who is also school nurse. This work by the dentist is entirely optional with parents, both as regards inspection and treatment. It is made possible to have a child's teeth looked after at school at a reduced rate. "Dental Honor Rolls" hang in the classrooms, furnished by the Department of Public Health. The

teacher records a child's name thereon when a dentist, family or the one working in school, gives a certificate that the teeth are in good condition. Great credit is due the P. T. A.'s and other organizations and individual citizens who have furnished funds for assistance in dental work.

For the last three years transportation has cost \$8,150 a year, of which we estimate \$4,150 is for the High School and \$4,000 for the elementary. This is the last year of the present contract. Since it was signed two years ago last fall a second bus has been put on for East Chelmsford, a second bus in the morning for South Chelmsford going by way of Carlisle and Proctor roads, and the bus going over Billerica Road returns by Mill Road and the Turnpike. Last year's report gave the roads on which pupils were picked up for the various schools, then 592 in number. On October 1, 1934, the number carried had increased to 618. A change in the school law requires that bus stops be not over one mile from the homes of pupils. This made necessary some changes in the South part of the town, and there will doubtless be some slight changes made when a new contract is drawn.

Criticism of the existing system deals with (a) overloading, (b) pupils losing the bus or having to wait too long for it, (c) pupils being brought to the buildings too early in the morning or left too late after school before being carried home. I would suggest that these principles should apply when the busses are running under normal conditions: (a) The proper load for a bus should be determined by the Motor Vehicle Department, which now makes regulations for equipment, requires periodic inspection of busses, etc. Overcrowding is frequently due to the desire of students to take the first bus when there are two running fifteen minutes or a half-hour apart; the first one being badly overloaded and the second only half full. The drivers and teachers should handle this, and the Motor Vehicle Department determine whether the busses provided are adequate under normal conditions. (b) The responsibility of having pupils at the scheduled bus stops on time lies wholly with parents. In good weather the busses run quite close to schedule, and the schedules are such that each stop must be just as brief as possible. We do not intend to have any bus run ahead of scheduled time, but in case of bad roads they are frequently late. Pupils must be at the bus stops when the bus arrives, just as they would be for an electric car or a train. When they are at the bus stops on time they do not lose the bus. But they do miss busses by loitering along the road when it is approaching the stop without making any reasonable effort to get to the stopping place, by being in houses or stores, as well as by being really late. (c) Enough busses should be used in the afternoon so that all children can leave for their homes within a half-hour of closing time. It is unfortunate that elementary pupils are brought to some of the schools so early in the morning, but it seems to be unavoidable with the present system under which High School students and grade pupils ride together.

It is impossible to make a valid comparison of transportation costs with any group of towns, since local conditions vary widely. The amount paid for transportation is published, but no figures are given for the number of pupils carried, distance, etc. Billerica spent \$19,646; Westford, \$9,184.18; Dracut, \$3,292.20; North Andover, \$4,093.70; Andover, \$11,653.62; Maynard,

\$989.50; Bedford, \$3,100. The area of the town and the location of the school buildings determine whether much transportation is needed, or little.

The above analysis shows in detail how school costs in Chelmsford compare with those of other towns. The report of the Department of Education gives in column 46 the cost of all day schools for each town and city for the year ending December 31, 1933, and in column 47A the cost per pupil in average membership. As has been the case for several years, Chelmsford is near the bottom of the list of 355 towns and cities with a cost per pupil of \$59.81. Only nine towns show a lower cost.

### ENROLLMENT

A table attached to this report shows the enrollment in the various buildings on October 1st, and the enrollment in the elementary schools and the High School for the last ten years. The High School has gone over the 400 mark for the first time, and since the 8th grade is larger than ever before, it is probable that there will be an increase again next year. The enrollment in the lower grades has fallen off slightly. In this connection I wish to call attention to the work of the Special Committee on School House Conditions, which published its report in 1930. This committee made a rather exhaustive study of the situation, and their recommendations are as valid today as when they were first made. I urge that all voters get out their 1930 Town Reports and study these recommendations. An addition to the High School building is needed much more now than it was four years ago, and without such an addition the work of the school is bound to deteriorate. High schools are larger everywhere, and in the opinion of most observers they are going to be permanently larger. There is little probability that industry will again absorb as workers boys and girls from 14 to 16, and it is doubtful whether many will be taken at 17 or 18. Until full-grown men and women all have jobs public opinion will certainly not give approval to the employment of youth of high school age. I urge that the citizens of Chelmsford face this solution squarely and make adequate provision for a larger school building.

The report of the Principal of the High School, which is endorsed as a part of this report, indicates what leading educators are recommending for new courses in high schools to meet the new conditions. In order to introduce such work in Chelmsford more classrooms must be provided and more teachers. For three years our problem has been to find a seat for all the pupils who entered and to find means of combining them in large classes so as to avoid engaging additional teachers. Is it not time to change this policy of conserving dollars into one which will regard the welfare of the students in the school as the first consideration? And the welfare of students means that they must be treated as individuals. Some of them are scholarly and interested in books; others do not learn readily and are more interested in doing things than in study; some of them are eager to keep on in school, others are in school because the law or parental will demands attendance; some are artistic, some musical, some have dramatic ability, some are more interested in athletics than in anything else, and some need physical training, or health training, more than any other one thing. When nearly all youth of the adolescent period are gathered into one school all types are there represented. A generation ago only the scholarly found their way through

the doors of the high schools, and such courses as we now have, unchanged since the present building was opened, met the needs of the community. This is no longer the case. Our high school cannot adequately serve the citizens of Chelmsford until its courses cover a much wider field. The building should be enlarged in order that a modern curriculum can be established.

With the study made by the former committee and its report it would seem that the next step would be for the town to authorize the securing of plans for an addition to the High School building. This is a matter of far greater importance to the future well being of Chelmsford, I believe, than any other that can be brought before the town at this time.

It may be noted that two payments of \$3,250 each, with interest, to be made on April 1 of 1935 and 1936, complete the payments for the present High School building. Final payments on the McFarlin building will be made in 1940.

Attached to this report are those of the School Nurse and of the Music Supervisor. As Mrs. Lewis's report clearly indicates, a considerable part of her work is along the lines of public health, but nearly all of it is either with school children or in the families from which they come to school. Whether she is working strictly as a school nurse, or as agent for the Board of Health, the aim of her work is the same, to better the health of the community by building stronger bodies in its boys and girls and by improving home conditions.

The Commissioner of Education names reading as the subject of first importance in the schools, and music second. Without question there is increased interest in music among our people, possibly due to radio programs. The success of the Drum and Bugle Corps sponsored in the Center by American Legion Post No. 212, has made other sections of the town eager to give support to plans for teaching instrumental music in the schools. This is possible without expense to the town, those receiving the training paying for the instruction.

Many citizens and organizations aided in making 1934 a pleasant and profitable year for the schools. The Parent-Teacher associations gave material assistance in dental work, in supporting school lunches, in getting playground equipment, etc., as well as by aiding teachers through having a better understanding of schoolroom situations. The leaders of the Scouts and of 4-H Clubs are building character in those groups. The American Legion has demonstrated that group instruction in instrumental music, under good guidance, can produce noteworthy results. The Police Department has protected the worst crossings at noon and night, has furthered safety instruction in school, and through the Junior Traffic Patrols is getting many children home from school more safely than was formerly the case. The Lions Club has supported athletics in the High School. The work of the cadet teachers from Lowell Teachers' College is an aid in some buildings. Students in the commercial classes aid in clerical work. To all these organizations and individuals, and to citizens who have contributed helpful criticisms, and especially to you for your advice and support, I tender sincere thanks.

Respectfully submitted,

GEORGE S. WRIGHT,  
Superintendent.

## REPORT OF HIGH SCHOOL PRINCIPAL

Mr. George S. Wright,  
Superintendent of Schools,  
Chelmsford, Massachusetts.

My Dear Mr. Wright:

I herewith submit my fifth annual report as principal of the Chelmsford High School. My aims in this report are to acquaint the parents and tax payers with the conditions existing in the High School and to point out the trend of the times in secondary education.

On December 21, 1934, there were 125 freshmen, 110 sophomores, 76 juniors, 78 seniors, and 2 post-graduates. Besides this number, 26 had left school, making a grand total of 417 pupils who had been enrolled this school year. This is 22 more than one year ago and 107 more than four years ago. Four years ago there were eleven full-time and two part-time teachers. This year there are twelve full-time teachers and one part-time teacher. The teachers have from 126 to 194 pupils in class work each day with an average of over 155 pupils per teacher each day. The maximum load per teacher is considered by many educational experts to be 125 pupils per day.

The three largest class rooms in the building were designed for not more than 35 pupils. The other eight class rooms were designed for 25 pupils. There are 11 classes with 40 to 46 pupils, 17 classes with 30 to 39 pupils, 22 classes with 20 to 29 pupils, 6 classes with 16 to 19 pupils and 3 classes with 10 to 15 pupils. Extra chairs have been crowded into all the class rooms to accommodate these large classes. The study hall is not large enough to accommodate all of the pupils during their study periods. The pupils who cannot study in the study hall have to study in class rooms where recitations are going on.

The following quotations are taken from a report given by a committee on curriculum revision at the annual meeting of High School Principals held recently in Boston.

"Curriculum enrichment seems to be the major problem facing the rural schools throughout the nation. Many splendid efforts along those lines are being made in some of the small communities of our own state, but the committee is of the opinion that, for the most part, school executives have been too conservative in the revision of their curriculums to meet the demands of a new day. Doubtless, there was a time when the small high schools of Massachusetts had as their main objective, preparation for college, but today Massachusetts statistics show less than 15% of their graduates entering college. The committee believes that our small high schools can do more than at present to prepare their graduates for happy, useful living in the small communities where an increasingly large proportion of them are bound to reside."

"In view of the fact that some fifteen percent of the graduates of small high schools enter college, it seems that undue prominence is given in the curriculum to those subjects that are strictly college preparatory in nature. Certainly no other reason could justify the prominence of four years of Latin, three years of French and from three to four

years of mathematics in the small high school curriculum. The old theory that the mental faculties are strengthened by vigorous application to abstract mathematics, Latin and foreign languages, has long since been disproved by James, Thorndike, Dewey and others, and at the same time experiments have shown that such practical subjects as home economics have higher transfer values than any of the traditional subjects. If we allotted less time to some of those, we would have room for the introduction of such courses as would enable us to approach more closely the fundamental aims of education."

"Health comes first in the accepted objectives of secondary education." We need a physical education director for our schools.

"In this period of national distress, we must prepare our students for more effective citizenship by acquainting them with the great social, economic, and political problems confronting this nation today."

"No one can doubt that training for worthy home membership is a major responsibility of the secondary school. Nevertheless, we are not putting courses in home training into the curriculum."

"Vocational preparation we accept as a worthy aim of our schools, yet, in spite of the fact that most small schools are located in rural communities where many of the boys are likely to find part or full time employment on the farms after leaving school, we fail to provide sufficient courses in agriculture and mechanical arts, subjects which should have great practical value for them."

In this report there is a proposed program of study in which the following advantages are pointed out.

"A course in social science is required each year." This we are offering but not requiring.

"A health activity program has a definite place in the daily schedule."

"Ample time is given for clubs and assemblies, music and drawing." Drawing should be taught in our high school.

"Courses in home economics are so placed in the daily program that every girl may elect one or more of them."

"Courses in agriculture and mechanical arts are offered as free electives to the boys."

Education has been defined by Avent as follows: "Any change for the better, physical, intellectual, moral, vocational, avocational, civic, religious, etc., constitute education regardless of the cause of such change. The state establishes a school system and engages in the task of education because it recognizes that the young members of society need to be changed for the better."

In a short time it will be physically impossible to crowd all the pupils into our present building. When our present plant is enlarged, adequate room should be provided and equipment installed whereby the greatest number of children can receive that type of education that will change them for the better to the greatest degree.

The following is a report of Miss C. Edith McCarthy, vice-principal, who has charge of the school funds.

Each member of the faculty of our high school welcomes any constructive criticism from citizens of Chelmsford. We are trying to make the school a place where every one can find joy in work well done. There is a fine Chelmsford Spirit at Chelmsford High School. Pupils and faculty, with the assistance of local organizations and loyal citizens of the town, are working together to make the better best.

I am pleased to have this opportunity to publicly express my thanks to you, Mr. Wright, the School Committee, the faculty, pupils, janitors, parents and citizens for the kind assistance and hearty co-operation I have received from you in trying to make our school what it should be.

Respectfully submitted,

LUCIAN H. BURNS.

### REPORT OF MUSIC SUPERVISOR

January 3, 1935.

Mr. George Wright,  
Superintendent of Schools,  
Chelmsford, Massachusetts.

Dear Sir:

Each year that I work in Chelmsford I find the work grows more interesting because Chelmsford has such wonderful boys and girls, and it is a decided pleasure to work with them.

The little people in the first and second grades learn to sing simple songs with a light head tone. The rhythm of each song is felt, and the child is led to express that rhythmic feeling in some way. The children learn to march, skip, run, and gallop, whenever the music of the piano or victrola tells them to do so. They also bounce balls to music, some keeping perfect rhythm, and this is a great aid to develop a keen sense of rhythm. I often wish that each school could have a room tucked away somewhere, where we would not disturb the rest of the school. If we had more room, we could learn so many simple folk dances and games, but it is impossible under ordinary conditions.

Rhythm is carried on into the third grade, then gradually developed so that the children can count the number of beats in a measure, find the phrases in every piece, and feel the moods that are expressed in music. Now in the upper grades we are studying themes in music, simple form, and later will make a brief study of some of the prominent composers, and their works, most commonly heard today.

In the third grade, children start their book reading, and it is continued on through the grades, with increasing difficulty, when the classes are ready to grasp it.

Two schools this past year presented operettas with most gratifying results. The children love them, and look forward to them each year, and the proceeds go to enable the Parent Teacher Associations to carry on their worthy work.

In the High School, classes meet twice a week for chorus singing

and music appreciation. A girls' glee club has been formed, but we find it difficult to have full rehearsals, because of so many outside activities, and it is impossible to have rehearsals during school hours. We also have a good orchestra that meets once a week for rehearsal.

I wish to thank every teacher for his or her splendid cooperation. They are most helpful in every way, and it is a pleasure to work with them.

Thanking you, I am

Yours truly,

CHARLOTTE L. HYDE.

### REPORT OF SCHOOL NURSE

Mr. George S. Wright,  
Superintendent of Schools,  
Chelmsford, Massachusetts.

Dear Sir:

I hereby submit my report as school nurse for the year ending December, 1934.

Number of pupils examined .....	1650
Defects found:	
Defective teeth .....	220
Defective tonsils and adenoids .....	172
Defective heart .....	20
Defective eyes .....	33
Defective ears .....	6
Cervical glands .....	29
Thyroid glands .....	6
Acne .....	38
Anemia .....	10
Posture .....	10
Bronchitis .....	1
Nasal obstructions .....	18
Spinal curvature (Scoliosis) .....	1
Underweight .....	32
Pediculosis .....	34
Taken home by nurse for illness .....	129
Excluded from school for suspected illness .....	342
Absentees visited in home .....	483
Excluded from school for ringworm, impetigo, poison ivy, pediculosis .....	188
Individual instruction .....	602
First aid .....	38
Dressings .....	806
Investigations .....	37
Instructive and advisory home visits .....	176

Sanitary visits .....	104
Personal hygiene and health talks to pupils .....	147
Pupils sent or taken to family physician.....	81
Pupils sent or taken to school physician.....	116

All pupils were given a thorough physical examination by the school physicians, Dr. Varney and Dr. Scoboria, assisted by the nurse, while the candidates for the football squad received a complete physical examination.

In the grammar schools, the children have been weighed, measured, and have had the eye and ear tests, notices of defects being sent to the parents.

## CORRECTIONS

Tonsils and adenoids .....	63
Glasses .....	23
Lenses changed .....	35
Teeth treated .....	210
Teeth filled—permanent .....	614
Teeth filled—temporary .....	480
Teeth cleaned .....	604
Extractions—permanent .....	41
Extractions—temporary .....	308
Examined by dentist .....	1011

In our school dentist, Dr. Ritter, we have found an expert who has rendered our children a great service by his skillful practice of laying the foundation for strong and healthy teeth. Dr. Ritter has been doing dental work in our schools every Wednesday from 9 A. M. to 3 P. M. for five and one-half years.

Through the generous funds provided by the Parent-Teacher Associations in all parts of the town, many children who were unable to pay had dental work done free of charge. The Westlands Parent-Teacher Association, seeing the necessity of a dental chair, purchased one this fall, making a total of three chairs in the schools.

The Parent-Teacher Association sponsors the lunch room in the McFarlin school—luncheon consists of hot dinners, soup, sandwiches, cocoa and milk. Free lunches amounting to \$102 have been served. The lunch room in North Chelmsford, directed by the Parent-Teacher Association there, serves much the same menu as does the McFarlin school lunch room. All the other schools serve hot soup and cocoa, with the exception of the Westlands School and Highland Avenue School, where the children are able to go home for dinner.

The great amount of milk consumed daily in the schools, at recess mostly, is supplied by Mr. Blood, Mr. Blaisdell, and Mr. Catherwood, all reliable and well-known milk dealers. Free milk is given to those children who are underweight and unable to buy it.

May day is now as always a day of inspiration; we carried out a widespread program of health examinations and corrections of defects—with emphasis on the preschool child. Many preschool children have benefited by the correction of their physical defects, who but for the activities

stimulated by May Health Day, might have gone through life with some impairment of physical fitness. In all the schools the health programs, carried out under the direction of the teachers, presented more interest than ever in the rapidly-growing campaign for healthy boys and girls.

Regular sanitary inspections of school buildings reveal them, with few exceptions, to be in a sanitary condition.

When contagious diseases are reported in the schools, the school physician and the nurse examine those who have been in contact with the diseased child; then, any books, the child may have are taken by the nurse, fumigated, and returned to the places where they belong. Pupils having colds have been excluded for the purpose of protecting children with whom they have come in contact.

At Thanksgiving time, the Girl Scouts gave three baskets and the police two baskets, which I delivered to needy families. At Christmas the Police Department distributed 14 baskets, the Lions Club five baskets, and private families gave two baskets. Not only during the holiday season, but throughout the entire year, the Police Department furnishes coal, oil, clothes, shoes, groceries, and whatever necessary for the comfort of the less fortunate; they also make possible graduation for children who cannot afford clothes with which to graduate.

The aim of the Senior Health Club is: To instruct youth so that they may conserve their own health; to establish in them the habits and principles of living, which, in later years, will assure that abundant vigor and vitality which provide the basis for the greatest possible happiness and service in personal, family, and community life; to influence an effective agency for the promotion of social aspects of health education in the home and community, as well as the school itself; to insure a better second generation, a still better third generation, and a healthier and fitter nation and race. This club, which I have had in the Chelmsford High School since 1929, is, as far as is known, the only Senior Health Club in the state. Each fall the club sponsors a banquet in honor of the football squad; and each spring they hold a party, the proceeds of which go to cheer up any member who might be sick. It is interesting to note that many of the former club members are now graduate nurses, while others are still training, or hoping to enter that profession.

Pupils Schicked in May who were immunized in October, 1933:

Negative .....	345
Positive .....	5

350

These five children who were positive in May were re-immunized in October, 1934 along with 221 teachers, pupils, and preschool children. Out of 1242 children in the elementary schools and 408 in High School, a very small percentage have not received the Toxin-Anti-Toxin.

Thus far, the Department of Public Health has not conducted the annual follow-up clinic, but I expect that they will do so in the early part of the year.

Dr. Archibald from the Department of Public Health visited several times during the year and discussed health conditions in the schools and town.

During July I took a very helpful and interesting course in school nursing at the Fitchburg State Teachers College; also, I attended several lectures given by the Department of Public Health.

In closing may I express my sincere appreciation to you, Mr. Wright, for your guidance and help in the school health work; to the school physicians, Dr. Varney and Dr. Scoboria, to the teachers for loyalty and support; and to the various organizations for their conscientious service and deep interest in the health program.

Respectfully submitted,

MAE S. LEWIS, R. N.,  
School Nurse.

December 31, 1934.
