Chelmsford Honor Roll situated in front of the Chelmsford Center town hall erected to the World War II veterans who took part in the services for Chelmsford.

The Chelmsford Honor Roll, a great tribute to World War II Veterans, has been erected in front of the Centre Town Hall and has been presented to those who fought and sacrificed for a war for which victory was won, by the residents of Chelmsford after many months of incessant planning.

The Honor Roll originated, when the Chelmsford Grange, leading organization in this town, held a meeting and suggested recognition of World War II veterans. A committee was appointed to meet with the Town Selectmen and include the following: John E. Johnson, chairman; Ernest G. Byam and Warren Wright. The Committee met with the selectmen and ap-

approval was granted, with Mr. Johnson as chairman, to hold a meeting of the towns' people. A representa-

tive from all town organizations and churches attended a meeting at the Center Town hall, April 3, 1943 and appointed a committee to formulate plans.

After a month of constant work the Honor Roll was built and the

dedication took place on Sunday, May 23, 1943, with a total of 850 veterans on its list. Francis J. Good, Superior Judge, of Cambridge, presented the opening address. A program included talks from the members of the Chelmsford Clergy, Chelmsford Drum Corp., and flags were hoisted by the America Legion Posts 313, 212.

A permanent committee was appointed with John E. Johnson, as chairman, Harold Petterson, secretary, Harold Clayton, treasurer, and Karl Perham to carry on the work of the Honor Roll. The total number of veterans listed on the Honor Roll, includes 1,219 up to the present date. This includes 43 Gold-Star names and includes 55 women who served in this war.

The total amount of money raised by this organization, which was donated generously by the towns people, was \$1,200.00. The total cost of the the Honor Roll was \$800 and the balance of the money is being used to carry on the task of adding new names to the list until Congress officially declares the end of war.

Mr. Johnson had charge of planting the shubbery which has added to the Honor Roll, and the "Welcome Home" sign which has been erected above the Honor Roll, and

the two flood lights which have also been added. Two flag poles were also obtained through the courtesy of the Proctor Lumber Co. Mr. Johnson and the committee would like to congratulate the towns' people for their excellent cooperation for a job well done.

On pages six and seven, the Editor has published the honor roll, through the co-operation of George C. Moore Wool Scouring Co., and the Southwell Wool Combing Co.
